

TRANSITIONS

Students with disabilities will make many transitions throughout their school years. Please join us on **January 31st** at **The Paulding County School District Office** from **6-8PM** to speak with representatives at every stop on the road from early services to post-secondary. This is an excellent opportunity to learn more about how to prepare your student to successfully navigate those transitions.

Child care and food will be provided. An RSVP is not required, but is always appreciated to make our meetings as successful as possible.

For more information, or to RSVP, please contact
