Monday, May 2, 2016

6:30 pm

Paulding County Board of Education
3236 Atlanta Highway, Dallas GA 30132

As we strive to continually improve student achievement in our schools, we invite you to please join us as we share information about the various programs Paulding County School District has in place for School and District Improvement. The *Consolidated LEA Implementation Plan* (CLIP) outlines plans for improvement, and is revised each school year. Opportunity will be provided for your input in developing the plan.

We look forward to meeting and sharing with you! For more information, please contact Dr. Sue Myers at smyers@paulding.k12.ga.us
