## CAREER, TECHNICAL, AND AGRICULTURAL EDUCATION

In House Bills 186 and 713, Georgia Legislators signed into law the 16 federal career clusters plus energy. As part of that law, elementary and middle school students receive classroom guidance from school counselors regarding the 17 clusters as well as the career pathways and their sequential courses. At the high school levels, students are given the opportunity to take specific courses and pathways based on the 17 Career Clusters. The below chart represents the CTAE courses and pathways that are offered at each high school. Like all other courses, these offerings are based on teacher certification, school resources, and student interest and can vary from year to year.

Pathway	Course 1	Course 2	Course 3
Food Animal Systems	Basic Agriculture Science	Animal Science and	Agricultural Animal Productio
(PCHS)	02.4710000	Biotechnology	and Management
(FCH3)	02.1710000	02.4210000	01.4320000
		Can count as 4 <sup>th</sup> Science	01.4320000
Agricultural Mechanics	Basic Agriculture Science	Agricultural Mechanics	Agricultural Mechanics
Systems	02.4710000	Technology I	Technology II
(PCHS)	02.4710000	01.4210000	01.4220000
Plant and Landscape	Basic Agriculture Science	General Horticulture and	Nursery & Landscape
Systems	02.4710000	Plant Science	01.4700000
(NPHS)		01.4610000	
(		Can count as 4 <sup>th</sup> Science	
Forestry/Wildlife Systems	Basic Agriculture Science	Forest Science	Wildlife Management
(EPHS)	02.4710000	03.4510000	03.4530000
		Can count as 4 <sup>th</sup> Science	
2. Architecture and Constr	uction	•	•
Architectural Drawing and	Intro to Drafting and Design	Architectural Drawing and	Architectural Drawing and
Design	48.5410000	Design I	Design II
(EPHS)		48.5450000	48.5460000
Carpentry	Industry Fundamentals &	Intro to Construction I	Carpentry I
(NPHS-SPHS)	Occ. Safety	46.5460000	46.5500000
	46.5450000		
3. Arts, A/V Technology &	Communications	•	•
Audio Video Technology and	Audio and Video Technology	Audio Video Technology and	Technology and Film III
Film I Pathway	& Film	Film II	10.5201000
(EPHS-HHS-NPHS-SPHS)	10.5181000	10.5191000	
Graphic Design	Intro to Graphics and Design	Graphic Design and	Advanced Graphic Design
(EPHS-HHS)	48.5610000	Production	48.5280000
· · · ·		48.5620000	
4. Business Management &	& Administration		
Business and Technology	Intro to Business and	Business and Technology	Business Communication
(EPHS, NPHS, PCHS, SPHS,	Technology	07.4410000	07.4510000
PVA)	07.4413000		
5. Education and Training			
Teaching as a Profession	Examining the Teaching	Contemporary Issues in	Teaching as a Profession
(EPHS, NPHS, SPHS)	Profession	Education	Practicum
	13.0110000	13.0120000	13.0130000
6. Energy			
Energy and Power:	Foundations of Energy	Energy and Power:	Energy Systems Applications
Generation, Transmission	Technologies	Generation, Transmission,	49.5390000
and Distribution	49.5370000	and Distribution	
(PCCA)		49.5380000	

## **Career Clusters and Pathways for All High Schools**

7. Finance			
Business Accounting	Intro to Business & Tech.	Financial Literacy	Principles of Accounting I
(NPHS)	07.4413000	07.4260000	07.4110000
Financial Services	Intro to Business & Tech.	Financial Literacy	Banking, Investing & Insurance
(HHS, PVA)	07.4413000	07.4260000	07.4130000
Advanced Accounting	Intro to Business & Tech.	Principles of Accounting I	Principles of Accounting II
(NPHS)	07.4413000	07.4110000	07.4120000
8. Government and Public	Administration		
JROTC – Air Force	Aerospace Science:	Aerospace Science:	Aerospace Science: Leadership
8 blocks of courses may be	Leadership 100	Leadership 200	300
taken in this pathway.	28.0110000	28.0120000	28.0140000
(EPHS)			
Additional courses beyond the	first three are taken in this ord	er:	
28.0160000 Aerospace Scienc	e: Leadership 400		
28.0192000 Aerospace Scienc	e: Corps Management		
28.0193000 Aerospace Scienc	e: Drill Only		
28.0194000 Aerospace Scienc	e: Senior Project		
28.0190000 Aerospace Scienc	e: Honors Ground School		
JROTC – Army Leadership	JROTC Army Leadership Ed 1	JROTC Army Leadership Ed 1	JROTC Army Leadership Ed 2 -
8 blocks of courses may be	- Alpha	- Bravo	Alpha
taken in this pathway.	28.03110	28.03120	28.03210
(HHS-NPHS-PCHS-SPHS)			
Additional courses beyond the	e first three are taken in this ord	er:	
28.03220 JROTC Army Leader	ship Ed 2 - Bravo		
28.03310 JROTC Army Leader			
28.03320 JROTC Army Leader	-		
28.03410 JROTC Army Leader			
28.03420 JROTC Army Leader	ship Ed 4 - Bravo		
9. Health Science			
Therapeutic Services – Allied	Intro to Healthcare Science	Essentials of Healthcare	Allied Health and Medicine
Health and Medicine	Intro to Healthcare Science 25.5210000	Essentials of Healthcare 25.4400000	Allied Health and Medicine 25.4370000
Therapeutic Services – Allied Health and Medicine <mark>(EPHS-HHS-PCHS)</mark>		25.4400000 Embedded Science Credit for	25.4370000

Cloud Computing	Intro to Software Technology	AP Computer Science	Cloud Computing
(HHS)	11.44600	Principles 11.0190000	11.447000
** HHS offers this for HACS magnet		Can count as 4 <sup>th</sup> Science	
students <u>only</u> .			
Game Design	Intro to Software Technology	Computer Science Principles	Game Design: Animation &
(NPHS)	11.44600	11.47100	Simulation
. ,		Can count as 4 <sup>th</sup> Science	11.4290000
			Can count as 4 <sup>th</sup> Science
13. Law, Public Safety, Cor	rrections, and Security		
Law Enforcement Services-	Intro to Law, Public Safety,	Criminal Justice Essentials	Criminal Investigations
Criminal Investigations	Corrections, & Security	43.4510000	43.4530000
(HHS-NPHS-PCHS-SPHS)	43.4500000		
14. Manufacturing		•	
Mechatronics	Intro to Mechatronics DC	AC Theory, Electric Motors,	Semiconductors, Mechanical
(PCCA)	Theory, Pneumatic Systems,	and Hydraulic Systems	Systems, and Pump and Piping
()	and Programmable Logic	21.4630000	Systems
	Controllers		21.4640000
	21.4620000		21.4040000
15. Marketing		•	
Marketing and	Marketing Principles	Marketing &	Marketing Management
Management	08.4740000	Entrepreneurship	08.4420000
(EPHS-PCHS-SPHS)		08.4410000	
	ngineering, and Mathematics	5	
Engineering Drafting and	Intro to Drafting and Design	Survey of Engineering	3-D Modeling and Analysis
Design	48.5410000	Graphics	48.5430000
(HHS)		48.5420000	-
Engineering & Technology	Foundations of Engineering	Engineering Concepts	Engineering Applications
Pathway	21.4250000	21.4710000	21.4720000
(SPHS)			
17. Transportation, Distrik	oution, and Logistics		
General Automotive	Automotive Technologies 1	Automotive Technologies 2	Automotive Technologies 3
Technology	47.45000	47.45100	47.45200
(EPHS-HHS-NPHS-PCHS-	-7	-75100	
SPHS)			
Collision Repair- Painting	Intro to Collision Repair	Painting and Refinishing I	Painting and Refinishing II
			47.56700
and Refinishing (PCHS)	47.56500	47.56600	47.30700
IPL HNI			1
