Break

What We Are Learning This Week!

Reading: Focus on fables and identifying the lesson/morale/message.

RL5: Describes structure of a text.

RL7: Describes story elements using illustrations

R6: Point of view

Math: Solving two step word problems and money word problems. Continue to work on identifying coins.

OA1 Solves one and two step Math word problems.

NBT 1 Understands 3 digit numbers based on place value.

NBT 2 Counts to 1,000 by 5s, 10s, and 100s.

NBT4 Fluently adds and subtracts within 100

MD8: Solve Word Problems involving dollar bills, quarters, dimes, nickels and pennies, using dollar sign and cents symbol.

Social Studies/Science: We will begin discussing Force and Motion.

Writing/ELA: Opinion Writing, compound words, contractions, and possessives.

L2c- Uses apostrophes in contractions and possessives

L4b-d- predict meanings of compound word

W1 Writes opinion text

We will have no more spelling words and weekly spelling test. We will continue to study a weekly phonics pattern and assess the students on this pattern. However, your child will not receive a list of weekly words to study.

This week's pattern is "Final Stable Syllable" words. Words that end in -ble, -cle, -kle, -sle, -zle, -dle, -gle, and -tle.

Example: bundle,
gobble, hassle, tattle,
and dazzle.

Information from your Teacher...

Barter Day is Friday, November 20th. Don't forget to have your child bring a small item to trade with. Remember it can't be sharp, edible, or electronic. This needs to be an item that they do not want to keep as they will not get it back once it is traded.

Have a great week!
