

# Mrs. Strella Georgia Studies Important Information!

Hi everyone,

Just to clarify Assignments start tomorrow 3-17. Because we have a scheduled online test in Georgia Studies, I created a review under the Module assigned for today, 3-16. It is not weighted and does not count; it is just there to help if you choose to do it. It can be done ANY time including tomorrow before the test.

When you Login to Canvas click Modules and you should see the Digital Learning Module with listed Assignments for everyday this week available for you at the top of the page.

The screenshot shows the Canvas LMS interface for 'GEORGIA STUDIES GRADE 8-Strella-45.0090000-Period 2 > Modules'. The left sidebar contains navigation options: Home, Announcements, Modules, Syllabus, Assignments, Quizzes, Discussions, Grades, Pages, Outcomes, LearnZillion, Office 365, and Files. The main content area displays a module titled 'Digital Learning Day Week 1 March 16-20, 2020' with a green checkmark and a plus sign. Below this, a list of assignments is shown, each with a green checkmark and a plus sign:

| Assignment      | Due Date | Points  | Status    |
|-----------------|----------|---------|-----------|
| March 16th 2020 | Mar 20   | 25 pts  | Completed |
