

# WELCOME BACK TO SCHOOL

**Welcome to 3<sup>rd</sup> grade!** I am so glad you are here! It is an exciting opportunity to be given the chance to work with *your* child. I am truly looking forward to providing meaningful experiences to foster a love for learning. Third grade is another piece of the priceless foundation for your child's education. It is both a privilege and a pleasure to be a part of such an amazing time in your child's life!

## Money

We would like for as many purchases as we can to be made through Rev Trak. It can be found on the Paulding County webpage. If you need to send money in, please send it in an envelope or baggie with your child's name and what the money is for.

## You Be You Books

Your child's communication binder (You Be You book) needs to be returned daily inside your child's book bag. ***All notes and money must be inside your child's folder. We do not check book bags.*** Please take a minute to check the folders for papers.

## Transportation

- Make sure your child knows how he/she is going home every day.
- If your child has a change of transportation, we need it from you in writing and placed in his/her You Be You Book. We are not allowed to take transportation changes over the phone or through email.

## Snack Time

Please pack one ONE snack for your child daily. We have a working snack so it needs to be quick and simple (eaten one-handed). Due to allergies, we do not keep extra snacks on hand. Water bottles will be allowed ...no juice/tea/etc please. ☺

### Lunch

- If buying a lunch, your child will need to memorize his/her 6-digit lunch number (same as last year's).
- Make sure your child knows how he/she is eating lunch (lunch box or school lunch).
- We will start the year eating in our classroom. Please help me out by reminding your child of the importance of eating his/her lunch and using his/her manners. 😊

### Behavior

Here at Union we have 3 basic ideas that fit us pretty well.

- Be respectful.
- Be responsible.
- Be safe.

We love to praise kiddos for these positive behaviors...it is so much more pleasant than focusing on negative behaviors!

Our class will be using "Class Dojo". This is an online program that allows you to track your child's behavior. Monthly rewards can be earned using their Dojo points.
