PHYSICAL THERAPY

PT Solutions Physical Therapy is a physical therapist-owned, private practice with points of service surrounding South Paulding High School in Hiram, Douglasville, and Villa Rica. Our therapists strive to serve their clients using research-driven treatments to provide relief and restoration of their normal life.

Our clinical staff includes physical therapists who have a sports medicine focus to bring you innovative techniques and approaches necessary to get your athlete back on the field as quickly and safely as possible. The experience you will have during your care at PT Solutions is second to none. Please contact one of our clinics below to get started on the road to recovery!
