

## *South Paulding H.S. - School Sponsored Clubs 2025 - 2026*

School sponsored clubs (excluding competitive interscholastic activities or events) are those under the sponsorship, direction and control of the school that organize and meet for common goals, objectives, and purposes. State law requires that parents have the right to withhold permission for their student to participate in any school sponsored club or organization designated by them. If you do not wish for your student to participate in any of the clubs/organizations listed below, please indicate the name of the club/organization, sign in the space provided and return to your student's school. If a club is added during the year, you will be provided information on the club and your written permission will be required prior to your student's participation.

Coin Club	I would like to introduce Numismatics (Study of coins and currency) to the students of SPHS. I believe that this club will benefit students with a new hobby that would include the following: We would study the time period and country of origin of the coins/currency introduced each time. These students will receive samples each time they attend to start a collection. I also believe this club will stoke the passion to learn History, Geography, and monetary systems used since the beginning of recorded time. We will study pre-as well as U.S. History, World History, Ancient History, Geography, we will look at alternative currency throughout history (non-coins and bills), and we will look at the future of payments in these changing times.	James Bouwens		Meet once and at times-twice a month. I will give coins to the students to study (and keep). We will likely complete a fundraiser to add to the coin stock. We will visit a local coin show to see the world of buying, selling, and trading of coins and currency. We will investigate the industries, careers, and jobs that relate to the world of Numismatics. I will try to collaborate with the Social Studies department to see if I could assist in their lessons. I will ask if any other faculty would like to help or join in the fun.
