## About Us

My family has been with Dallas Elementary since 2020, when Jase started his kindergarten year. My family is special because we are a family that demonstrates the meaning of not giving up. Jase was diagnosed with autism at 3 years old and delayed in speech. Even with Jase's diagnosis, he never let anything stop him. Now as a 4th grader his speech is doing better, he learning to play football and baseball. Jase is part of the Paulding County youth football team, he demonstrates hard work on and off the field. For me, when Jase was in kindergarten, our life changed, I became wheelchair bound and Tori was only 1. We all had to adjust to a new way of living and we did. As a family, we figured out how to master this change even though it was hard we never gave up, we just found solutions to conquer all obstacles we faced as well as goals we set.

## Favorite Weekend Activities

When it's Paulding County football and cheer season, our weekends go to that. Other than that, we love going to the library, Walmart, Pets Mart, and just being outside.
