Dear ESOL and EL Families,

Please join us for a **FREE** ESOL and English Language Learners Community Fair. Your family will receive valuable resources and services provided by Paulding County School District and Community Partners. These free resources will support academic **learning** for students, explore ways for you to get **fully involved** in the education of your children, access **adult education** services if needed, **job opportunities**, receive available **health resources**, **McKinney-Vento Information & Resources**, and enter your child into a **drawing to receive a free laptop**. All families of ESOL and EL students in elementary, middle, and high schools in Paulding County School District are invited to attend. We hope to see you there! If you have any questions, please contact Kimberly Williams, Title I Coordinator at 770-443-4269 or
