

New Georgia Elementary School
At New Georgia, We Are BULLDOGS!

Mrs. Lori Morgan, Principal

Ms. Kelly Koch, Assistant Principal

Mrs. Liz McCrary, EAC

Dear New Georgia Bulldog Families,

Welcome back to the 2024 – 2025 school year at New Georgia Elementary School. We hope you had a wonderful summer break filled with fun and are excited for the upcoming school year. As we are ready to embark on this exciting new journey, we want to welcome our returning and new Bulldogs and their families.

This year is going to be a sweet journey as we focus on our theme of “It’s a great day to be a bulldog...Our journey begins.” Our teachers and staff worked very hard over the summer to engage in professional development opportunities and develop innovative and engaging lesson plans. We are so excited to meet and get to know our new students.

We also recognize the importance of parental involvement in our students’ education, and we encourage parents and guardians to participate in their child’s educational journey. Your support and collaboration are critical to creating a successful learning community, and you can get involved by joining PTA, volunteering at New Georgia, joining Local School Council, or attending teacher conferences.

As always, the health and safety of our students remains our top priority. We will continue to receive support from the Paulding County School District with safety personnel including our Safety Advisor and Security Guard. In addition, our Assistant Principal, Ms. Kelly Koch, leads a safety committee at New Georgia with various staff members to maintain the safety of our campus and keep safety a top priority.

As we enter our new year together, I realize that our students are beginning a new journey in a new class or possibly school. Yet, our journey is just beginning, and we will write our own story here at New Georgia. We will embrace the opportunity to grow together. Let’s work together to support our students socially, emotionally, and academically.

Throughout this journey, we want to emphasize the importance of open communication. We are here to support you and your child throughout the year, so please do not hesitate to reach out with questions, concerns, or suggestions. Together, we can make this school year the best yet!

We look forward to a year full of growth, learning, and opportunities as we work together in partnership. Thank you for entrusting us with your child’s education, and we are honored to be a part of his or her journey. Welcome to New Georgia!

Sincerely,

Principal
