QR code below.

How is the Compact Developed?

All parents, staff, and students of Hal Hutchens Elementary are provided the opportunity to contribute input to the development of the compact so that it is jointly developed. Feedback from surveys, input at meetings, and evaluation of current parent engagement practices are considered. Teachers suggest strategies that can be used at home, and parents contribute ideas to make these activities possible. Students are offered opportunities to provide input as well. Meetings are held each year to review the compact, and to make necessary changes. The compact ensures that students are provided with the best opportunity for academic achievement by the school and family working together. Parents are welcome to contribute comments at any time as the compact will be referenced throughout the year. Language translation of materials and documents are available upon request. Please contact Kimberly Shaw, your Title I Instructional Lead Coach, with any comments or with any questions regarding your child's education at 678-838-2683 or kshaw@paulding.k12.ga.us
