FROM MRS. SHAW

August flew by in a hurry! I have loved seeing all the children throughout the school learning in their new grade levels.

We had our first family reading and math night with 3rd grade. There were 32 families in attendance. It was such a great night! I am looking forward to each grade level night this year.

HUTCHENS FAMILY SCHOOL COMPACT

What is a Family-School Compact?

A Family-School Compact is an action plan to enhance schools and promote student success.

The Family-School Compact describes how Hal Hutchens Elementary, and families can work together to help children achieve the state's high standards. It outlines how parents, the school staff, and students will share responsibility for improved student academic achievement. Our Compact describes what the school will provide to students and parents, how communication will take place, and how teachers will help students develop necessary skills. It outlines what strategies families can use at home to support their child's learning. These components are linked to our Schoolwide School Improvement and Title I Plans.

Click the link below if you need a new compact copy.
