Title I Annual Evaluation Summary for Parents

- **Title I Parent Engagement Plan:**

In what ways can the school help better support you and your family?

- After school sports
- Encouraging kids to love school
- The school is doing a great job, especially communicating with parents
- More resources sent home
- Increase parent and administrative communication
- They support us well
- PTA needs to actually have meetings with all members
- Computer programs used for homework
- Options for tutoring
- STEM program
- Post recordings from meetings and events
- Ability to participate more during the school day with my child
- Send home more homework
- Provide laptops for students to take home
- An Annual Title I Meeting to explain what it means to be a Title I school
- To understand at times the time-consuming difficulty of finding a regiment for learning disabilities (medications) with that comes absences and doctor appointments. Also, understanding some students don't do as well as others on timed tests
- It's doing a pretty good job right now

- **My child enjoys coming to school:**

- Always (25)
- Sometimes (2)

- **Additional Money:**

What do you think is the best way for our schools to spend this money?

- After school activities, sports, and school functions
- Books and renovating the school
- Free lunch
- More resources to send home with students
- Technology/ technology resources
- Parent learning resources and website subscriptions
- Field trips
- Library and playground updates
- Supply the classrooms with supplies for teachers and students such as snacks, pencils, books
- Tutoring
- New Smart Boards, hands on manipulatives

Do you feel the school shares information with you clearly, consistently, and in a format you can understand?

- Yes (21)
- Sometimes (6)

• **Building the Capacity of the Staff:**

What topics do you think teachers and administrators need to discuss or learn more about to support your student and your family?

- Gentle coaching, learning styles
- None, the school is great
- They are doing a great job
- Support in reading
- Diversity
- Different family styles
- SEL, Environmental and home factors, Building Community,
- Learning disabilities, mental health of students, behavioral speedbumps
- I think they are doing a wonderful job
- Experience with dual language students
- Managing challenging behavior
- Black American history, financial literacy

• **Preferred Communication Methods:**

- Parents selected E-Mail, Class Dojo, Newsletters, Text Remind, and Phone Calls in order

• **Title I Improvement Plan:**

What kind of academic programs would you like our students to have?

- Study hall, tutoring, mentors
- Dance
- Anything that relates to strengthening skills that will be applied to technology
- Spanish
- Career type programs in 5th grade
- More physical after school programs
- Debate
- I think the academics in place in elementary school are just right. Too much more would be a handful for them
- More US and World History

• **Additional Comments:**

- Thank you Dugan for caring and supporting our children! The community is much stronger with this amazing school
- I like the school and teachers. Mrs. Barron did a great job informing me and my husband about our child's progress
- I believe Dugan is a good school, but I also think they can be better. Feeling like my sons ADHD is more of a problem to them isn't a good feeling, and being threatened with a social worker due to him missing school for multiple reasons mostly medical or being sick isn't grounds for that kind of treatment and is disrespect to me as a mother
- We have enjoyed our sons time at Dugan, and feel like the teachers and school care about his well-being and keeping him on track

• **Data Sources:**

- Electronic Survey given to all parents electronically through Forms. The electronic link was provided (including QR code) during conferences by each teacher. There was a poster also provided in the front lobby and PRC providing the website and QR code. The website was updated with this survey link as well. Paper copies were available as well by request. Title one feedback survey for parents was available for one month and then feedback was analyzed by the title one staff.
