Dear Hiram High School Community,

On behalf of the faculty and staff at Hiram High School, I am happy to welcome you to the 2024-2025 school year! Hiram High School is such a special place to learn and grow. We are looking forward to a productive partnership with you to ensure our students can achieve their highest potential. We are proud of our school and have high expectations for every student. Together with our dedicated staff, we strive to establish and foster positive relationships, while creating a positive school culture with a focus on supporting student-centered academic and personal development.

We know a strong partnership makes a great deal of difference in your students' success. We ask that you guide and support your students' learning opportunities by:

1. Attending school daily and arriving on time
2. Working hard to self-advocate, plan, and achieve their goals
3. Showing respect toward peers, faculty/staff, and overall school community

We call on the Hiram High School Community to participate in various community led organizations such as local school council, PTSA, and various booster club organizations. Our students greatly benefit from your involvement and contributions to the school's programs.

We want to provide your student(s) with the academic and life skills it takes to be successful in their next phase of life beyond high school. As your student matriculates through Hiram High School; our overall goal is GRADUATION!

For more information, please continue to visit our school website, follow us on social media
