Move Forward With Recovery

Willowbrooke at Tanner can help with Journey, a unique group therapy program employing the Matrix Model approach to treatment.

Journey Adolescents meets on Tuesday evenings from 5pm until 6:30 pm in a virtual setting. The group will utilize evidence-based treatment from the Matrix Model Curriculum for Teens and Young Adults. The age group served in the program will be ages 13 through 17. If there is a youth who is slightly outside of this age range, they can be staffed on a case by case basis for admission. Please send referrals to miosborne@tanner.org
