

New Hope Education Center Paulding Virtual Academy

ATTENTION HOME SCHOOLERS!

Paulding Virtual Academy (PVA) provides:

- **Free online education (9-12) for Paulding County School residents**
- **Local, certified Teachers**
- **Optional in-person activities**
- **Accredited Program**

PVA offers a new and innovative way to receive high school credit. Students can finish classes on a standard or accelerated pace. PVA offers students in grades 9-12 opportunities to complete high school in an environment like a college experience. PVA students also have the option to participate in Paulding College and Career Academy and Dual Enrollment.

For more information scan the QR code
