

The PCCA Difference...

PCCA gives students the opportunity to develop skills and earn college credits, industry credentials, and real-world experience that will be essential to career success after graduation. Our students provide a workforce pipeline into High Demand industries to meet the needs of businesses in our own community.

CONNECTING STUDENTS
TO THEIR FUTURE

What students say about PCCA...

"PCCA offered me the opportunity to learn the fundamentals of Information Technology as it relates to the Cybersecurity field" - Ayden

"The PCCA staff treats the students with respect. The experience was a great one and I felt like I was taught useful real-life information that would help me with my future goals and career" - Jacob

"My PCCA class gave me real life knowledge and experience to know what to expect on the job site" - Nate

PCCA serves students from all five Paulding County School District high schools, as well as Paulding County homeschool and private school students.

PCCA has two sessions per day:

Morning

1st Block: 8:55-10:15

2nd Block: 10:20-11:20

Afternoon

3rd Block: 12:20-1:30

4th Block 1:35-2:45

Transportation for PCSD students is provided from their home high school to PCCA and back for each session daily. Students may also drive to campus.

PCCA is a program of the Paulding County School District
