Jacob Griffith, Principal

Amy Delaney, Assistant Principal

Greetings Panter Families,

I am excited to extend a warm welcome to each family at Panter Elementary School. As an educator, I have worked most of my career in the Paulding County School District. We not only work in this community, but we also live and worship here. I believe deeply in the power of the community to support the local school and aid in the growth and development of our children. My family is highly invested in the success of the Paulding County School District; my wife is a teacher in the school district and my children attend school here as well. Like you, I care deeply about the growth and success of our schools.

As mutual stakeholders in the community, I believe we must work together to provide the best educational opportunities in the most supportive environment possible. Parental involvement is a crucial component of a successful education, and we encourage all parents and guardians to actively participate in their child's educational journey. Whether it's attending school events, volunteering, or engaging in open communication with teachers, your support is invaluable. Together, we can create a nurturing environment that prepares our students to become kind, responsible, and lifelong learners. We want to work *with* you to make your child's elementary school experience a memorable and positive one. As a staff, our priorities are simply stated in this order: love kids, work hard, and have fun!

Please feel free to reach out to me if you have any questions or concerns. Once again, welcome to Panter Elementary School! I am excited about the journey we will take together and the positive impact we will make on the lives of students.

Sincerely,

Jacob R. Griffith
Principal
