

New Georgia Elementary School Improvement at a Glance

2025-2026

New Georgia Overview

New Georgia Elementary School, nestled in the heart of Paulding County, has a proud legacy dating back to 1914. As the oldest school in our district, we are deeply rooted in tradition, community, and a shared commitment to student success. With a current student population of 334, our small size fosters a close-knit, family-oriented atmosphere where every student is known, valued, and supported.

Mission	Vision
New Georgia's mission is building up lifelong learners dedicate to our growing success.	New Georgia's vision is all students will achieve academically and socially to become productive members of our growing, diverse community.

Goals

- The percentage of 3rd-5th grade students scoring a Level 3 – Level 4 on the Spring ELA Georgia Milestones Assessment will increase from 36% to 40%.
- The percentage of 3rd-5th grade students scoring a Level 3 – Level 4 on the Spring Math Georgia Milestones Assessment will increase from 47% to 50%.

Beliefs

At New Georgia Elementary School, we believe that every child deserves a safe, supportive, and nurturing environment where they are empowered to reach their full potential. We believe in the power of strong relationships, between students, families, staff, and the community, to create a foundation for lifelong learning and success.

We believe that learning is a shared responsibility, and that high expectations, equitable opportunities, and a commitment to continuous improvement help every student grow academically, socially, and emotionally. Rooted in our rich history and strengthened by our small community feel, we believe that together, we can inspire excellence and build a brighter future for all.

Demographics

New Georgia Elementary School serves a diverse student population of 332 students.
