

# *Welcome!*

**If you have not already completed our Annual  
Title I survey, please take a moment now!**

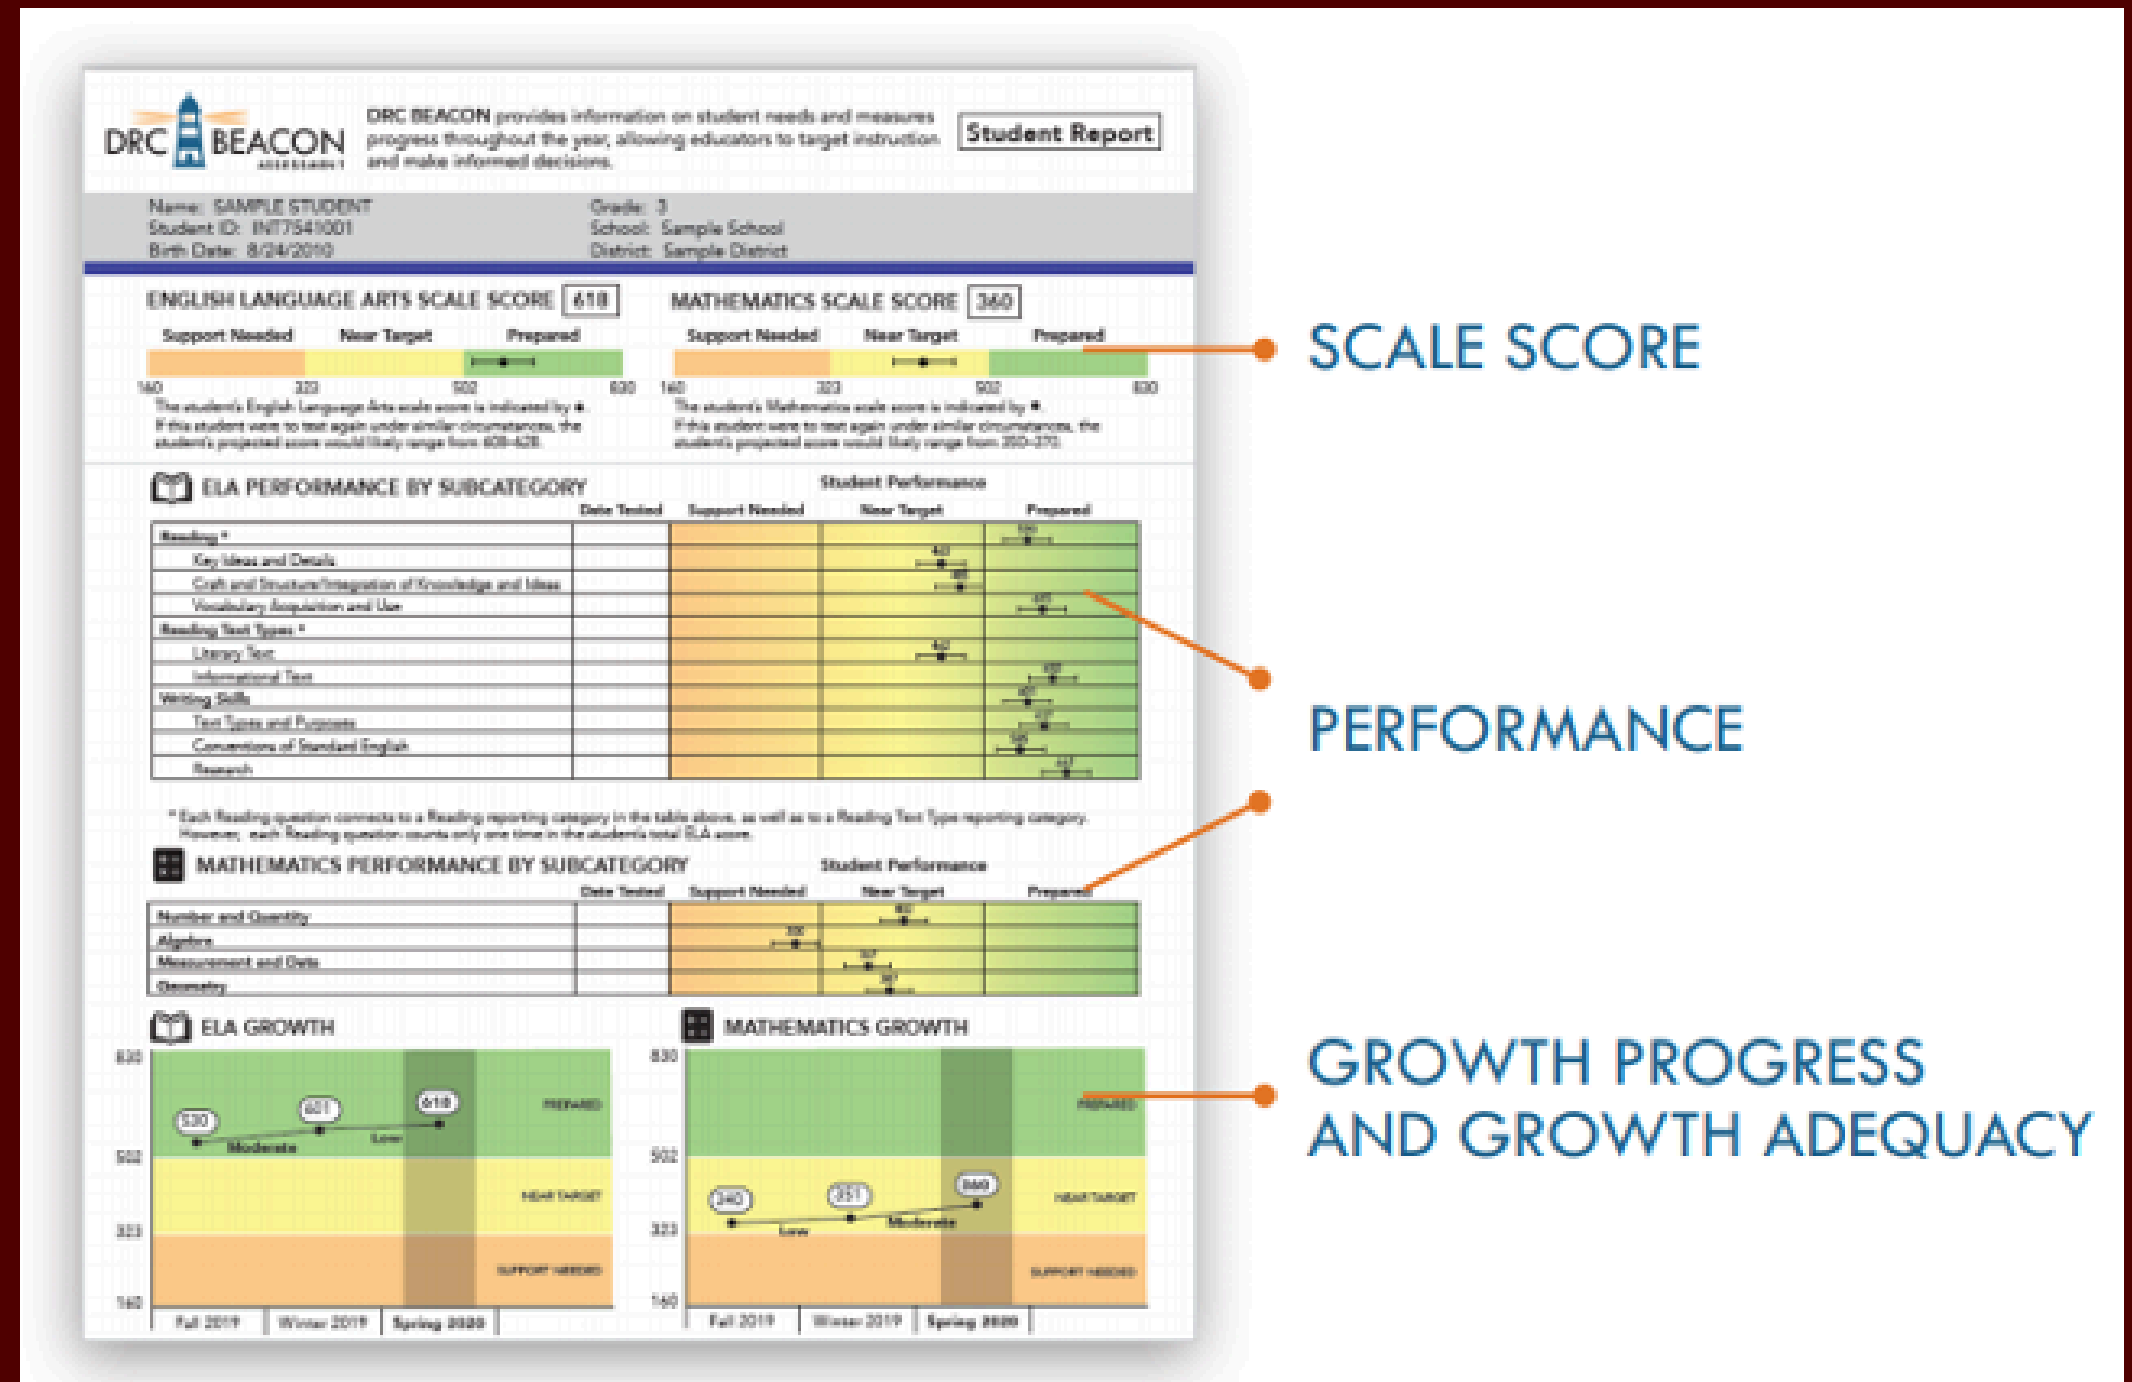

# END OF YEAR DATA CHAT!

## Beacon data

➡ Beacon is a computer based assessment that K- 5th grade students are given three times per year.

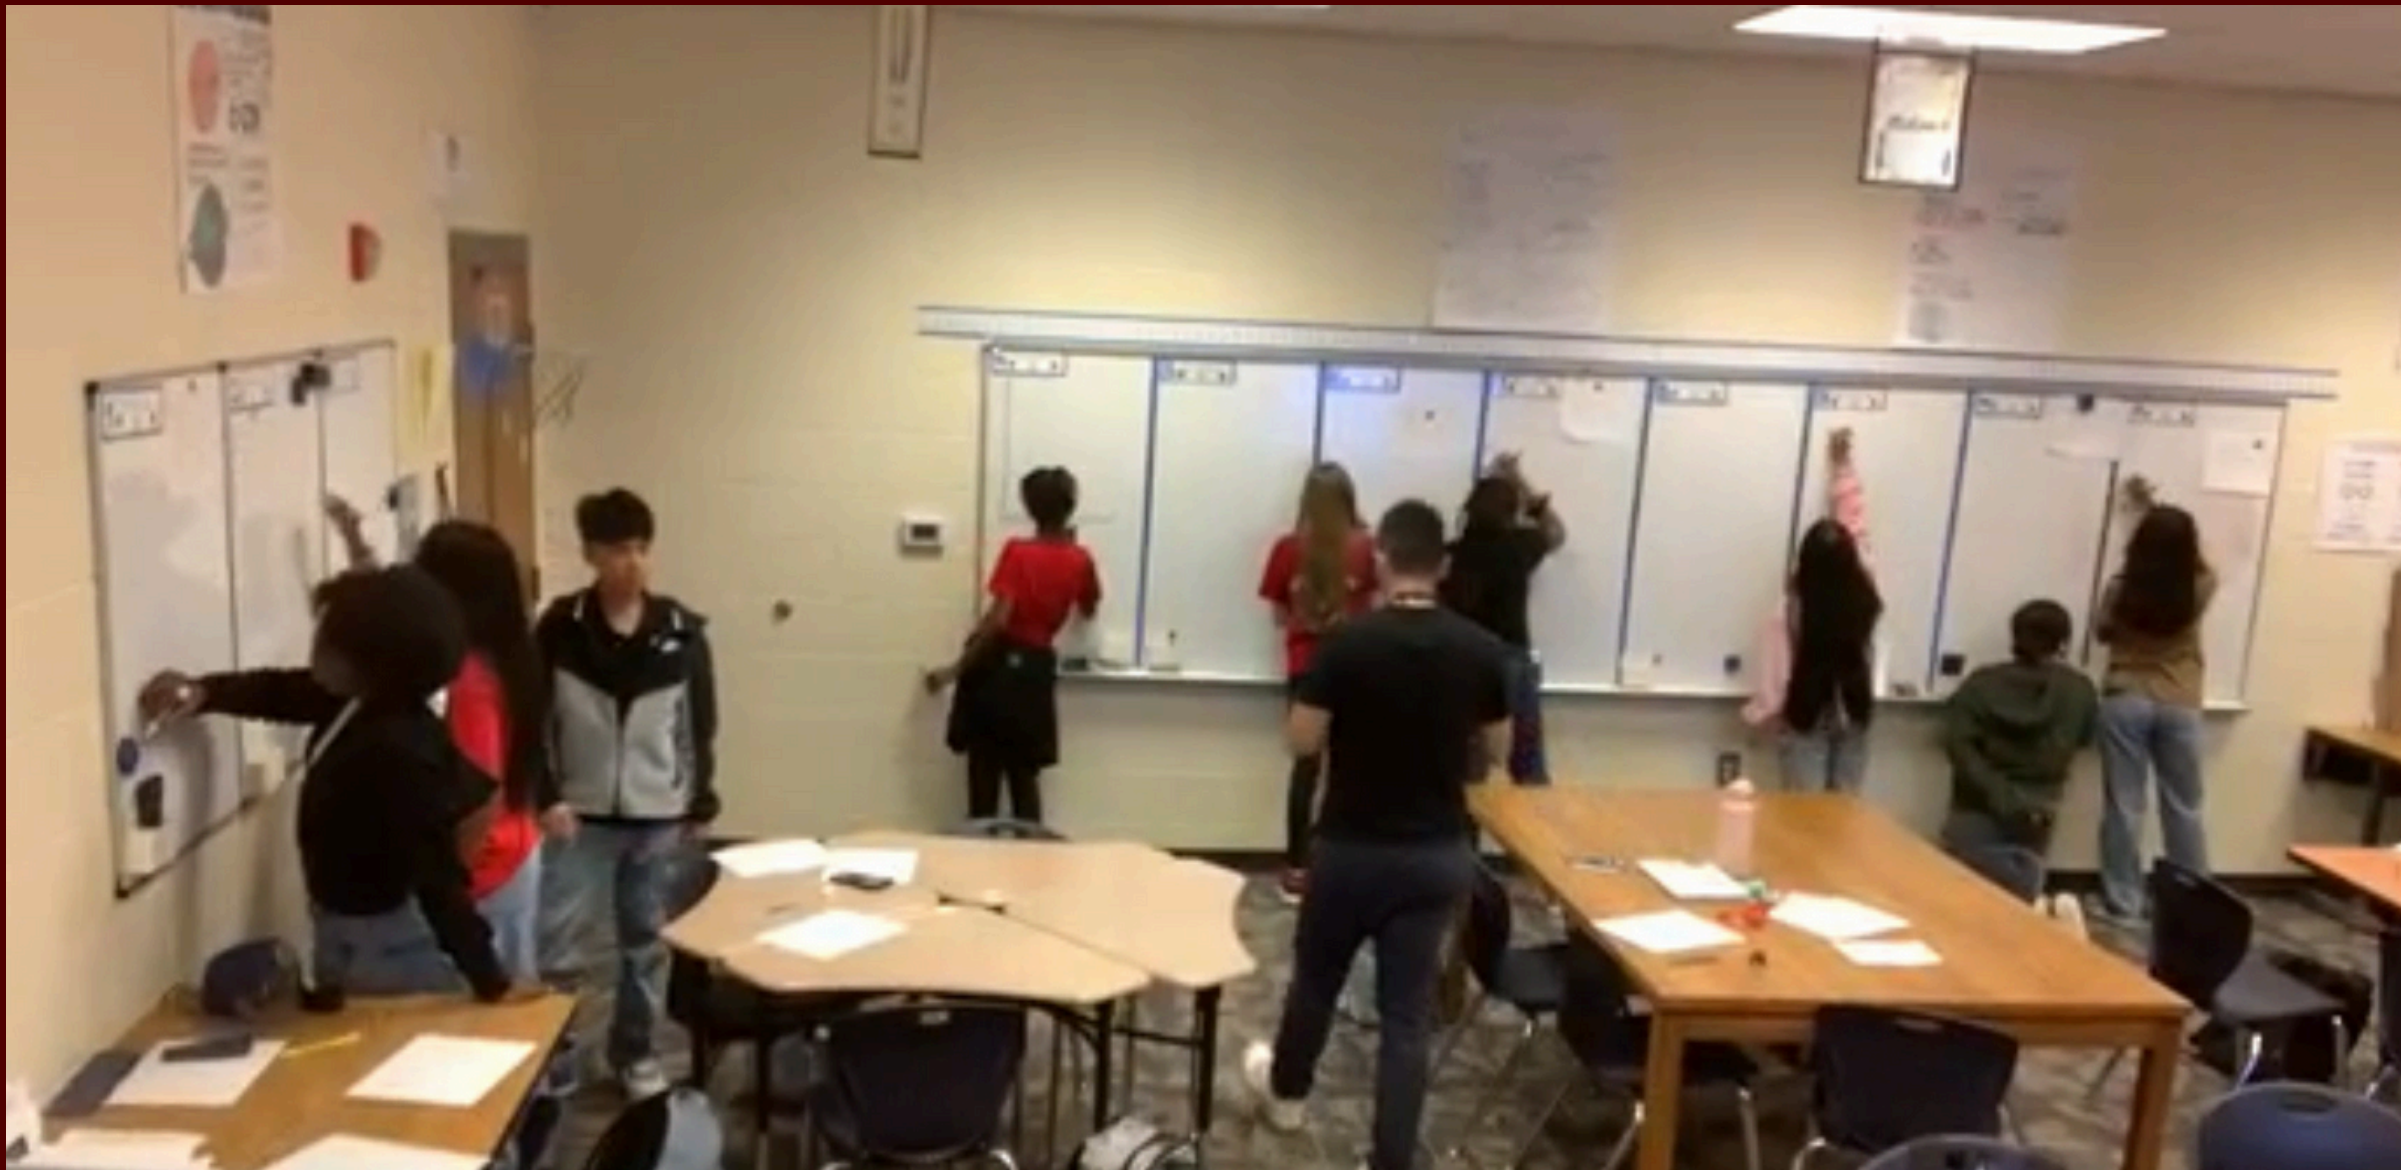

➡ Beacon provides estimated performance of the Georgia Milestones Assessment.

➡ Teachers can use the information to guide classroom instruction.

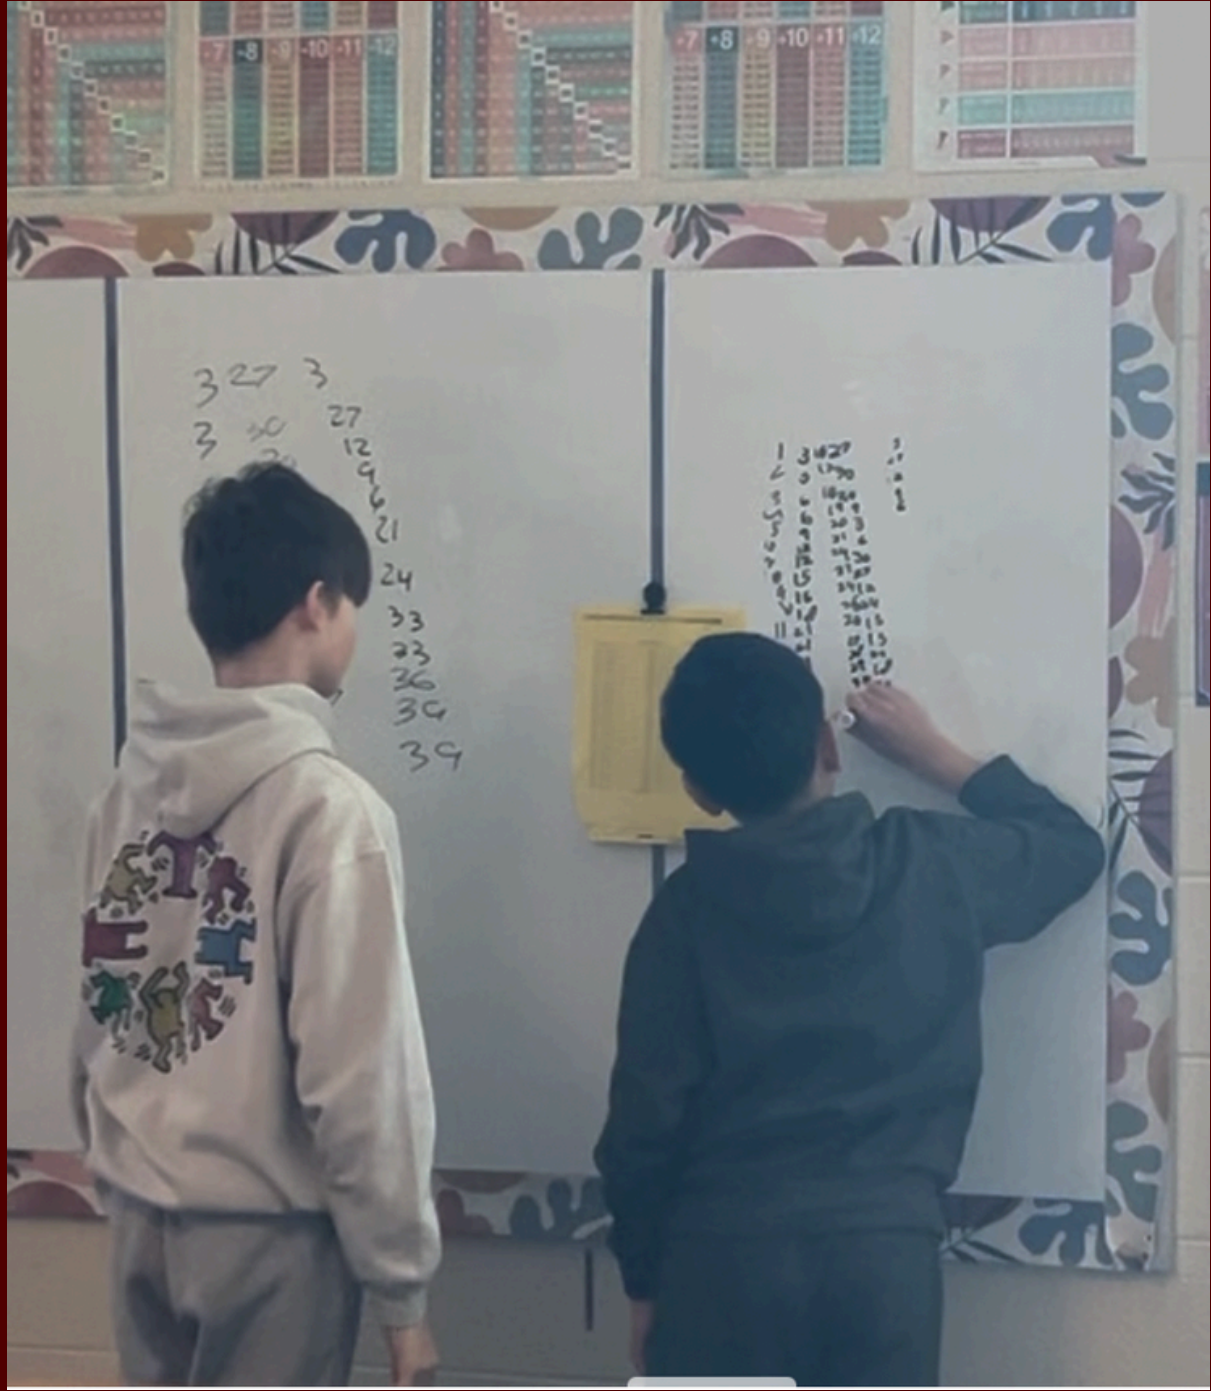

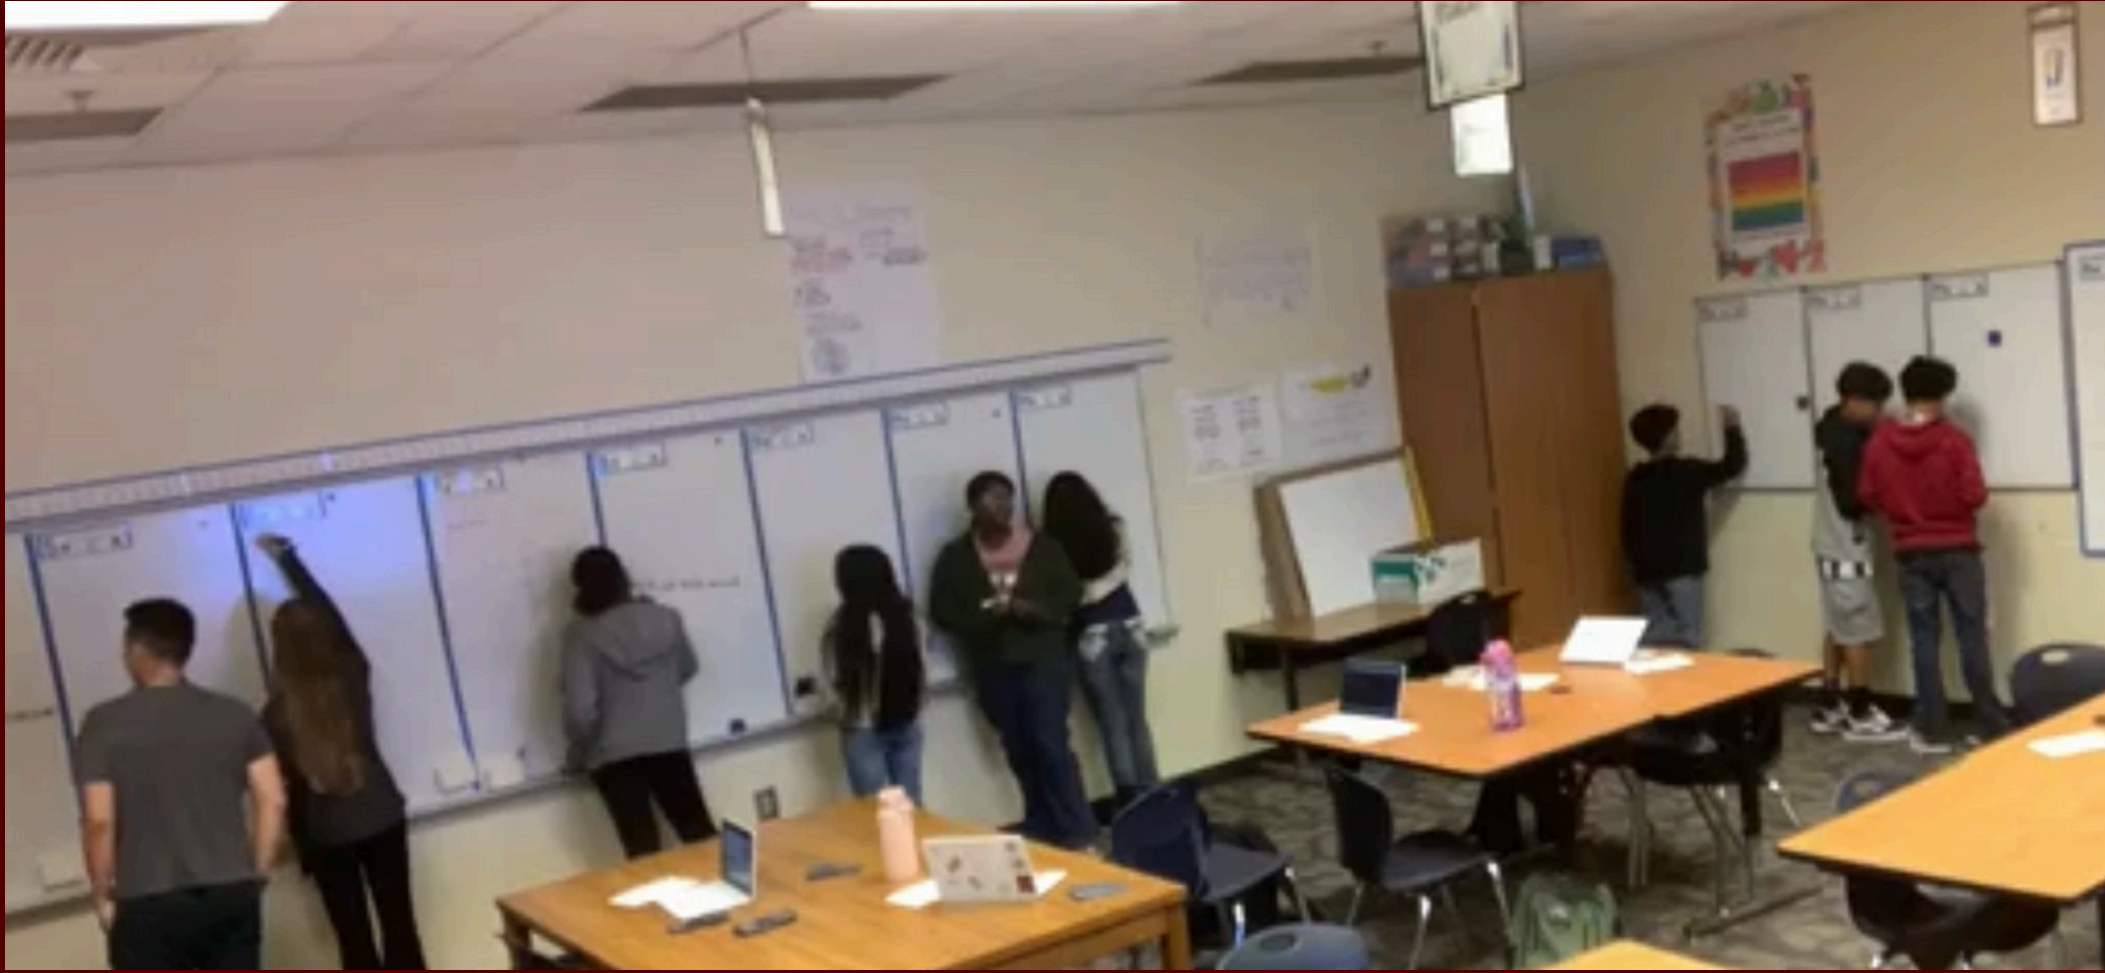

# 360 Degree Math

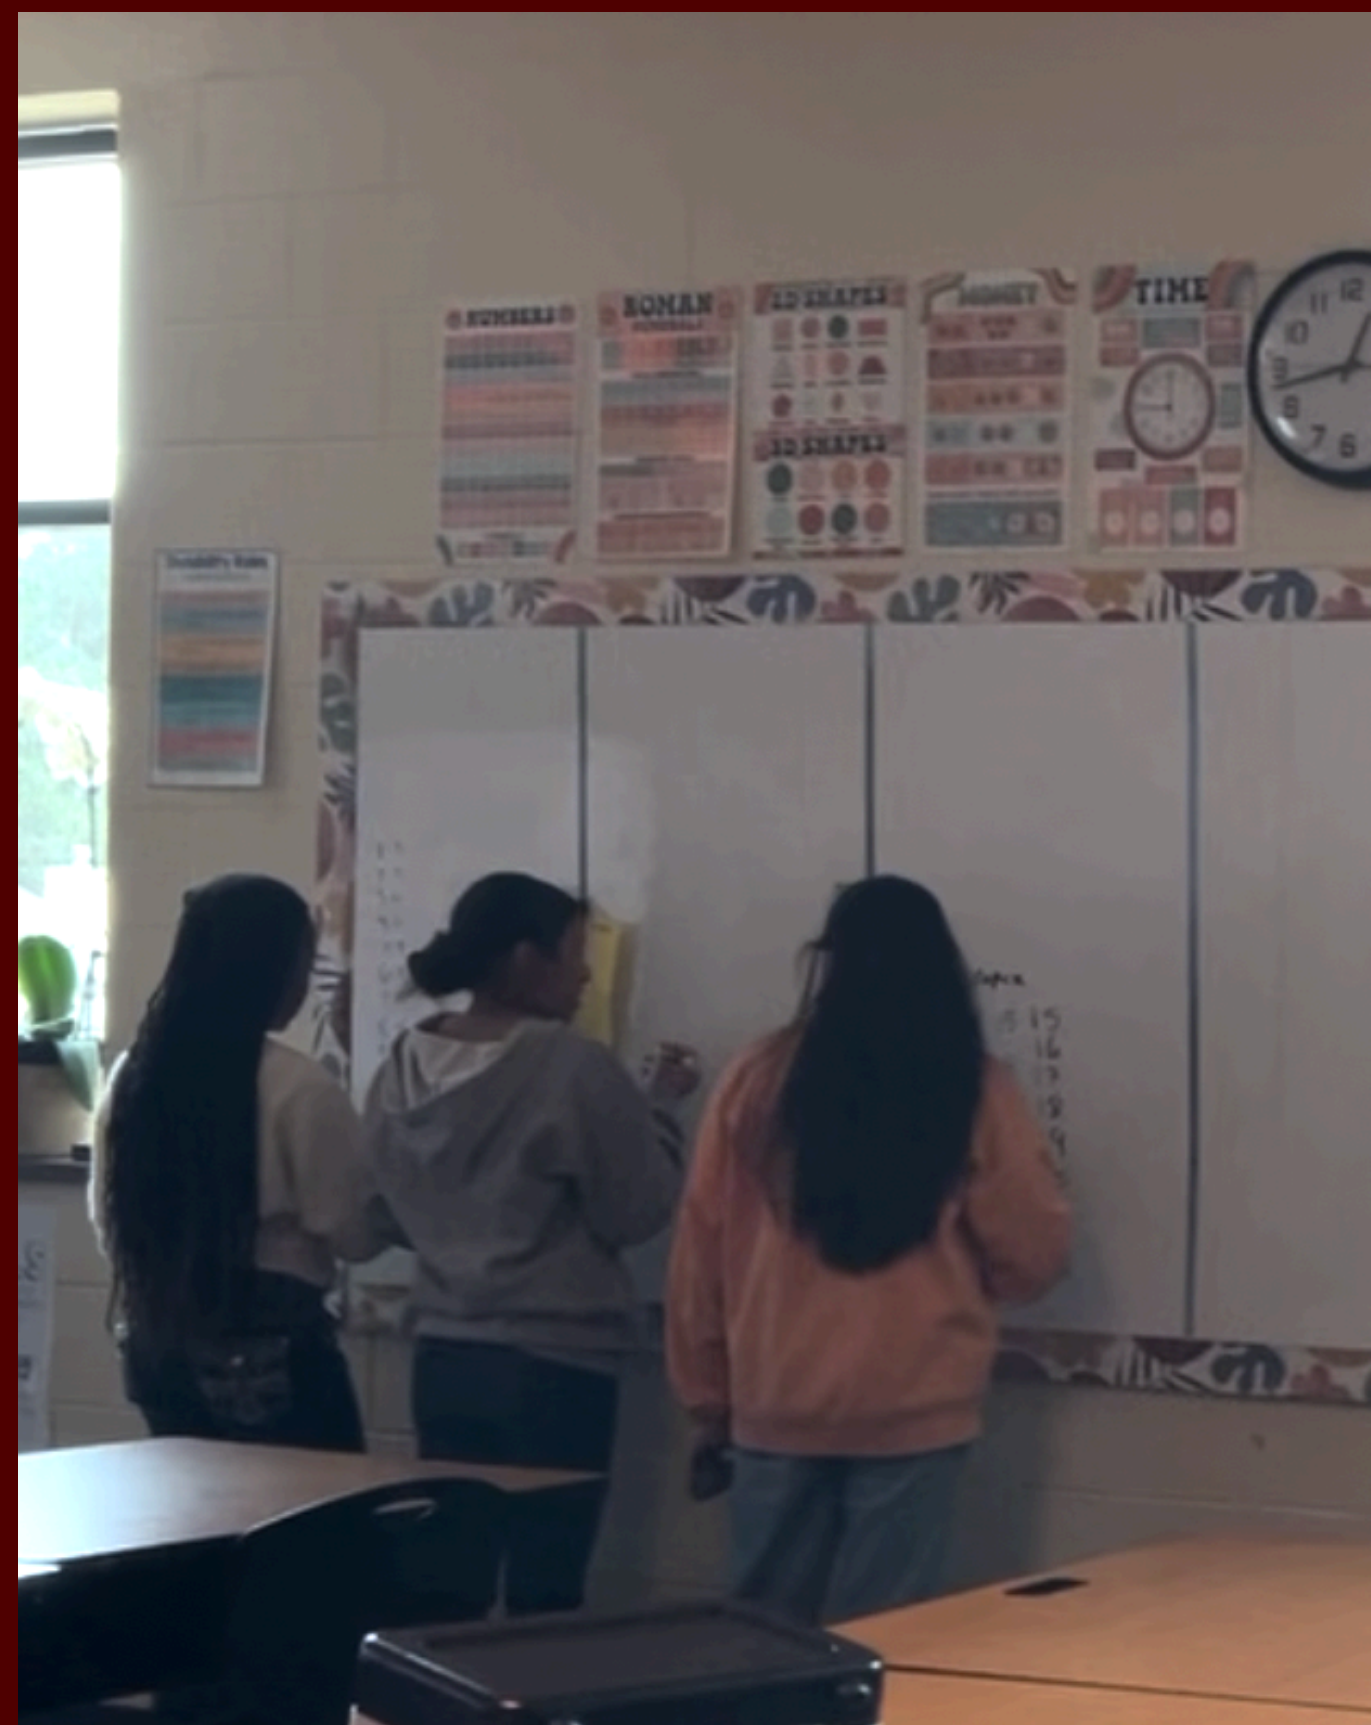

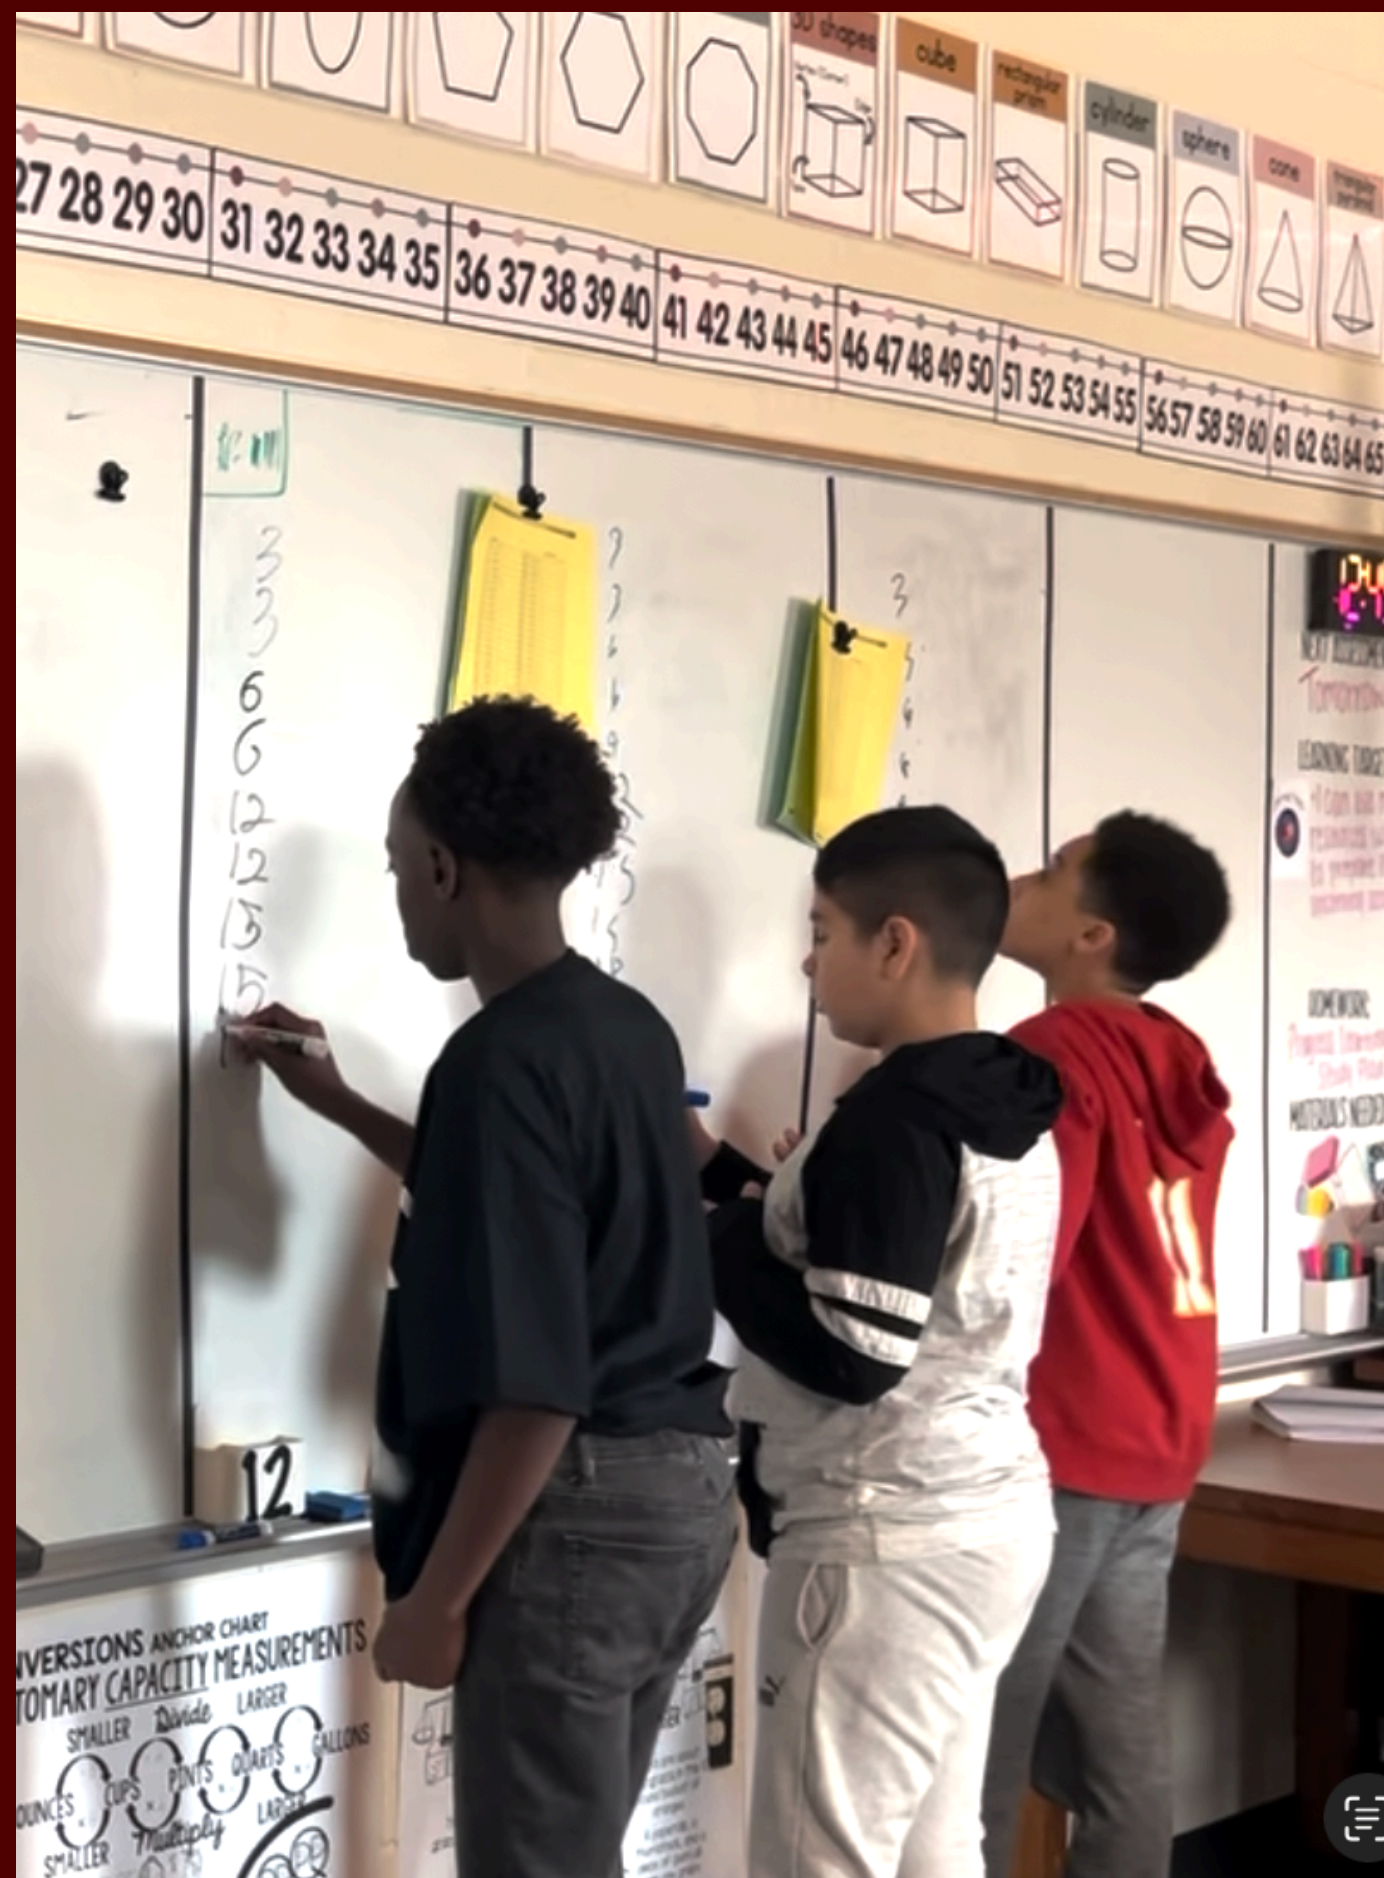

- most used strategy
- utilizes ideas of how kids learn best-up and moving!
- what does it look like in class?

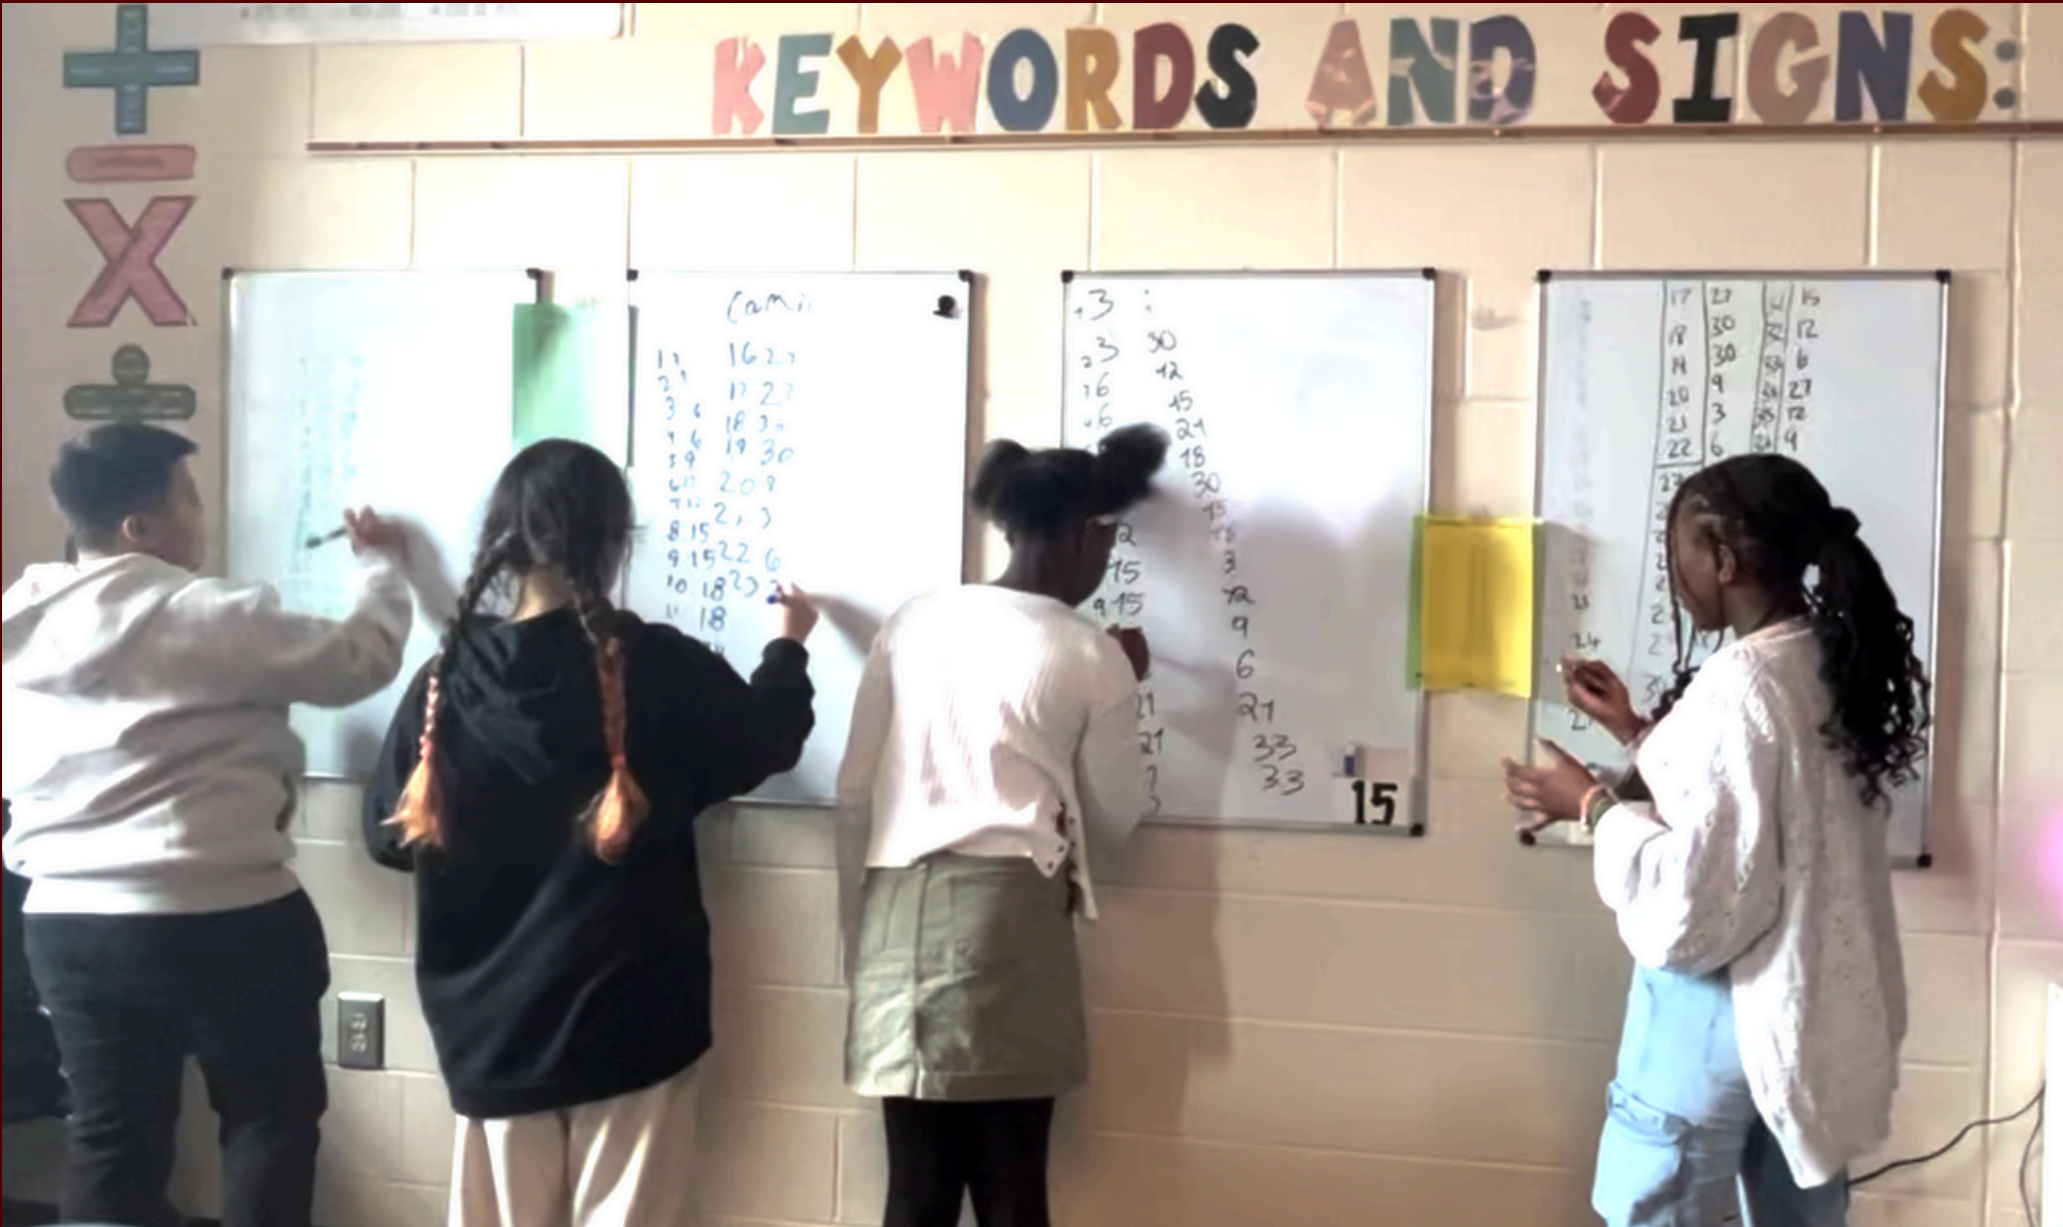

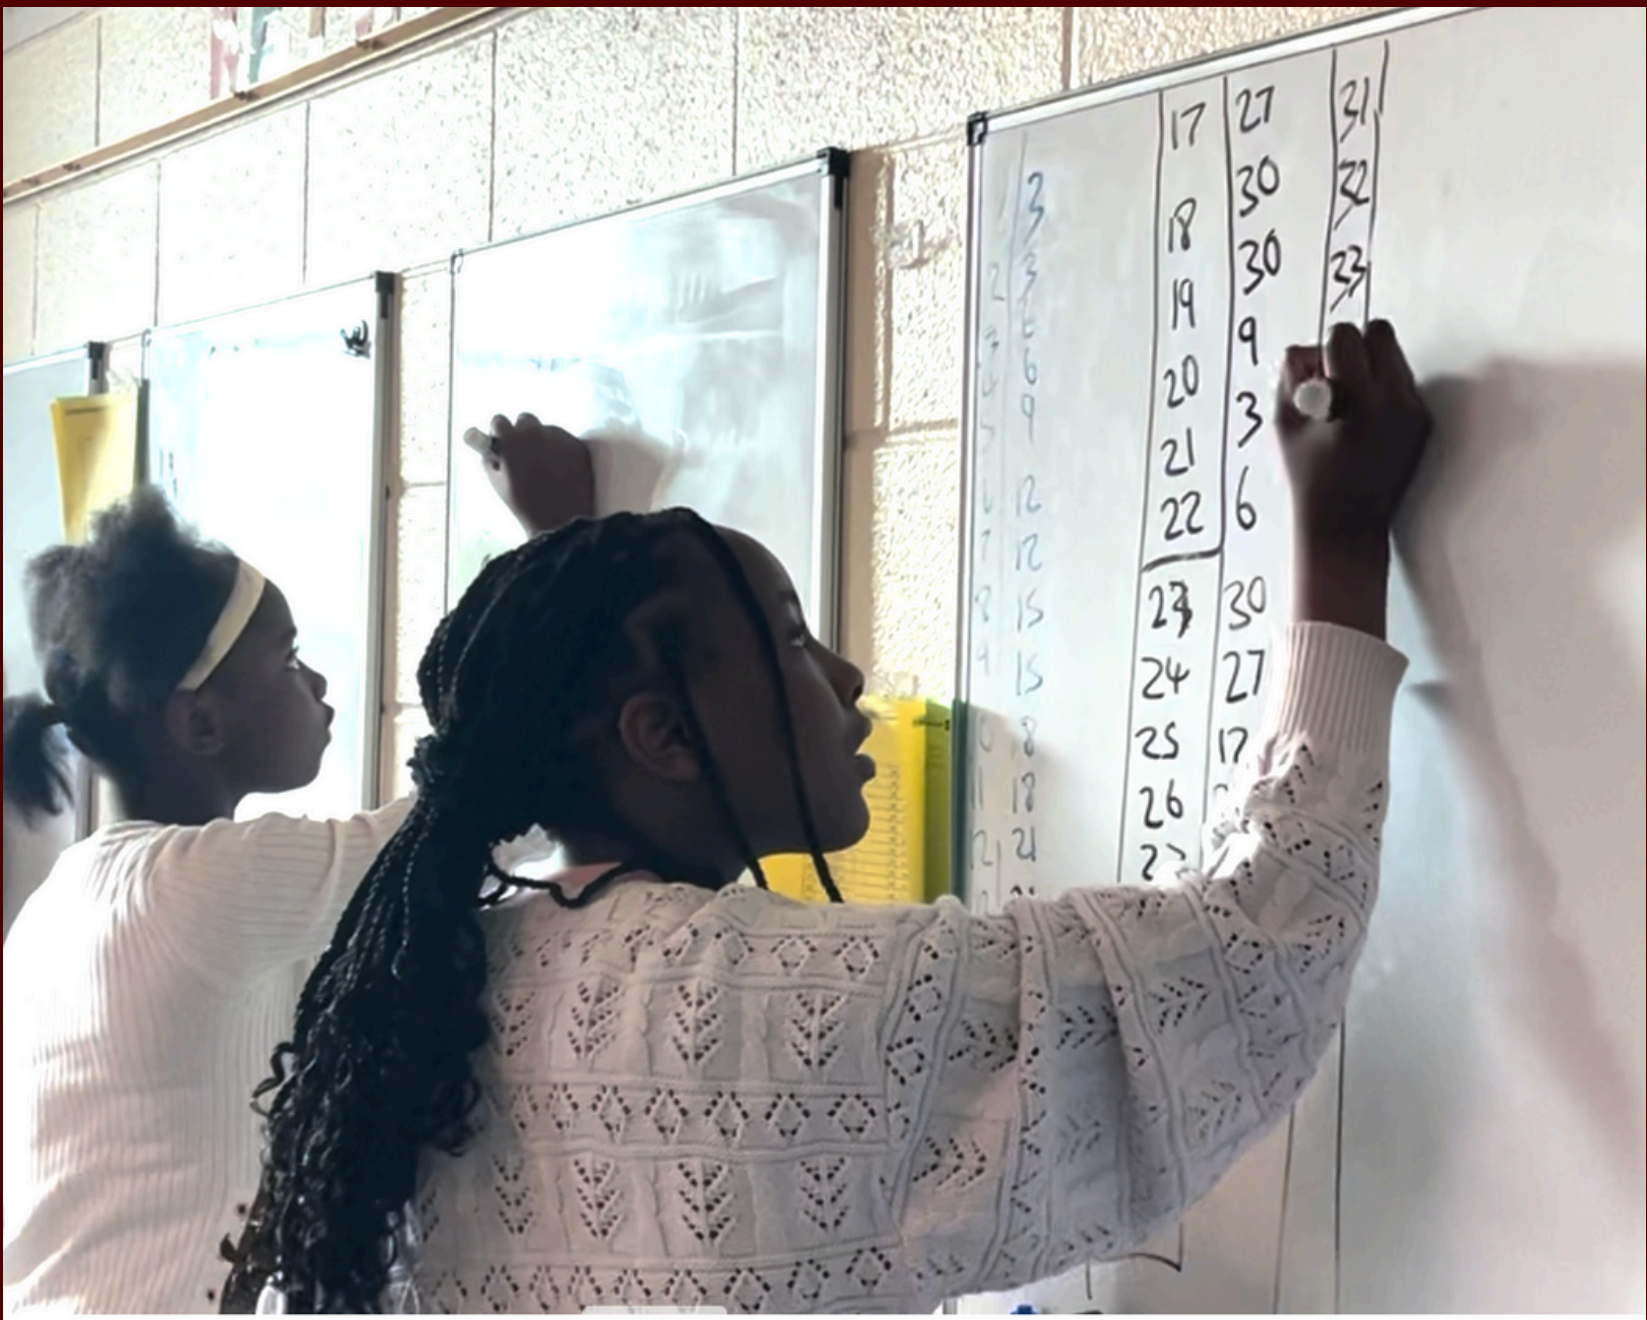

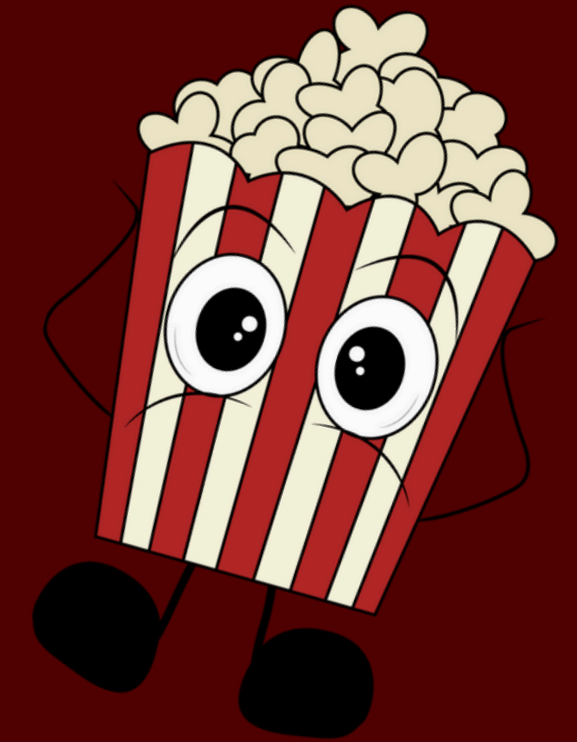

**Summer Connections!**

**How can we use math at home?**

# Time to celebrate!

Get refreshments!  
Please take photos!  
Stop by the table to  
get your dominos  
games!

**Thank you!**  
**Please scan the code to give feedback!**
