July 1, 2025

Dear Crossroads Middle School Community,

Welcome to the 2025-2026 school year!

As we begin our second year at Crossroads Middle School, I want to extend a warm welcome to all our students, families, and community partners. Whether you are returning or joining us for the first time, we are thrilled to have you as part of the Crossroads family.

This year, we are on Mission to Engage, Equip, and Empower every student, every day. Our Vision is to be a community dedicated to setting the standard for continuous growth, excellence, and a lasting legacy – and that vision begins with strong relationships, shared purpose, and a deep belief in what is possible when we work together.

At Crossroads Middle School, we've embraced a call to action that defines our approach: "The best at getting better." These words are more than a motto; they are a mindset. We believe that greatness is not about being perfect, it's about progress. It's about students, teachers, families, and leaders all committing to grow, to reflect, and to rise – together.

We are proud of the foundation we laid during our inaugural school year, but we are not satisfied. This year, we are committed to raising the bar and becoming the standard for excellence – not only academically, but socially, emotionally, and personally. We want our students to leave Crossroads with the knowledge, skills, and character needed to thrive along with the confidence that they are deeply known, seen, heard, and supported along the way.

As principal of Crossroads Middle School, I want you to know that I believe in our students. I believe in our staff. And I believe in the strength of this community to create something truly special – not just for today, but for years to come, a lasting legacy.

Aristotle shares, "Excellence is never an accident. It is the result of high intention, sincere effort, and intelligent execution." This quote can guide us this year as we work towards becoming the standard – each day, each student each moment.

We are excited for what lies ahead and grateful for your partnership in helping us become one Georgia's finest middle schools. Let's continue building a legacy of excellence, and let's do it together with purpose, passion, and pride.

Respectfully

Tom Alverson

Principal, Crossroads Middle School
