Character Trait of the Month
Character Breakfast on Sept. 18

Principal's Corner

We've had a busy first month of school! We opened our doors on August 1 with 844 students. In one month, our student population has grown to 920! We are quickly approaching new enrollment records! With many families being new to Allgood, I wanted to share information about upcoming events in September: All Pro Dads, our annual Fun Run and Title 1 Curriculum Night.

Our All Pro Dads meetings occur every other month. Our first meeting is on September 13. We gather at 7:30AM in the gym. The program is developed by Tony Dungy, and includes a quick presentation, a continental breakfast, and opportunities for Dads to interact in fun ways with their children. Everyone is welcome to join us! We love having Dads, Granddads, and Uncles, but everyone is always welcome!

Something new we're doing this year is Title 1 Curriculum Night on September 12. During the evening, parents will have opportunities to talk with teacher teams about what students will be learning this year. We hope this gives our parents and teachers an opportunity to talk about reading, writing and math. Most importantly, the night will be a time for all the grown-ups to talk about our student learning goals for the year!

Lastly, an annual event that we host in is our Fun Run Fund Raiser. This event provides students an opportunity for a day of physical activity and to learn about healthy eating habits. The event is our largest fundraiser of the year. Moneys raised allow us to increase the number of technology devices for students. Our goal is to provide every child with a learning device. Additionally, the funds support learning activities and resources for music, art and PE, and our STEM Lab. Lastly, we'll purchase materials for Georgia STEM Day. This is an event that allows all students to participate in a full day of science exploration.

If you are new to Allgood, Welcome! To all our returning families, Welcome Back! We have a great school, in a great community! We look forward to our year of learning together!

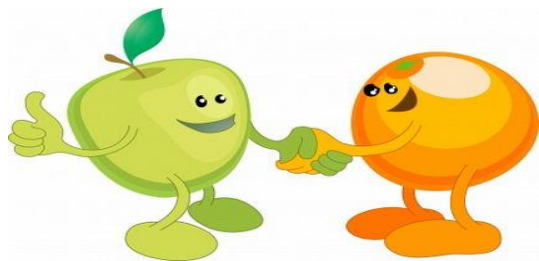

Time for Learning!

Last year, we averaged 27 tardies each school day. This year, we would like to see every child in class on time and ready to learn. **Please plan your morning so that students arrive to school by 7:55AM.** Students that are not in class by **8:00AM are tardy.** We want every student to start their day on Green—on time and ready to learn!

One Word Challenge:

On Sept. 12, we are kicking off a 'One Word Challenge' to our learning community. What is one word that will define your school year? We challenge everyone in our community to determine one word that will focus your school year and guide your attitude and your intentions. Find your 'one word' and come to Curriculum Night! Everyone will have an opportunity to add their one word to our Allgood ES Community Poster! We are excited that **YOU** are a part of our learning year!

Hugs, Handshakes & High-fives!

Did you know that every teacher in our building has a friendly welcome for our students? We're learning how to greet each other with a smile, a Good Morning', and a hug, handshake, or high-five. Greeting others with a smile and a handshake helps create a welcoming, safe, environment!

PTA Reflections

Look Within

Entries due by Sept. 30, 2019

It's time for students to shine! The annual PTA Reflections contest is underway. The theme is "Look Within." Students can get entry forms from the website <https://pauldingpta.org/reflections>, their teacher, or the PTA bulletin board near the front of the school. The categories for the contest are Dance, Music, Literature, 2D and 3D Visual Art, Photograph, and Film. All entries must be submitted into the bucket in the media center by September 30th.
