This will be my 21st year as a first grade teacher. I received my Bachelors Degree at Duquesne University and my Masters Degree from Walden University.

I have been married for ten years. I have two daughters and a stepson. Kendal is eleven, Morgan is seven, and Hunter is 13. I enjoy spending time with my family and friends.

I cannot tell you how excited I am to be back in the classroom!! We are going to have an amazing year!!

- **Visitors in the Building** - Until further notice, the PCSD has suspended all visitors to school buildings. This is for the safety of our students and staff. This includes our volunteers, PTA, and those that eat lunch with students. This safety measure also includes walking your child to class on their first day of school. While our parents won't have this traditional experience this year, we are committed to ensuring that all families have the memories. Please see our First Day News flyer located on our school's website and Facebook page for directions.
- **Parent Portal, Canvas, Nutrition** - In an effort to control the amount of paper touched by staff and students, many of our former communications will be through digital methods. Most forms and applications will be delivered via class communications. Additionally, all parents will need access to Parent Portal to view progress reports and report cards. No paper copies will be provided this year. Weekly work samples will go home but will not need to be returned. Most assignments including homework, make-up work, and some daily tasks will be completed through Canvas.
