School Improvement Plan (SIP)

One of the strategies in our SIP is the Bookworms Differentiate Instructional block. During this time we meet individual student needs by extending vocabulary and comprehension, by working on reading fluency and by supporting basic reading skills. Ask your student about their reading DI block.

Thank you

We would like to thank all of our veterans that came to our Veteran's Day Program. The students and staff were excited to share our school with all the VIP visitors. Thank you to PTA for planning and supporting the event. It wouldn't have been successful without you! A special thank you to Amy Newbold for coordinating the event.

New Spots

Our new eight visitor parking spots have been painted in the lot in front of the gym. The crosswalk is in place and the new sidewalk is operational. This has allowed us to make some adjustments in front of the building. We now have three reserved spots in front for our school nurse, our D.A.R.E officer and our school resource officer. We are grateful for their support.
