Teacher Appreciation: For our fantastic staff!!!

IF YOU DIDN'T HEAR THIS FROM ANYONE TODAY {{AND EVEN IF YOU DID}}

Thanks for all that you did today in your classroom...

For making a million little split second decisions for the benefit of your students.

For putting your own needs on hold and keeping them the focus of your day.

For planning for them long before today ever got rolling.

For changing those plans because they didn't fit someone who needed a little extra.

For smiling, laughing with them and reassuring their efforts, trials and mistakes.

For placing your hand on a shoulder that was exactly what someone needed.

For getting down on the physical level

of your students because it matters.

For thinking of a new way to reach

someone who wasn't getting it.

You matter.

Yes –

You matter.

NEBO

- ⇒ Mission: Engaging in learning
- ⇒ Vision: to work with our learning community members and our local community members to ensure our students are engaged in a quality educational experience that is provided in a safe, productive environment as they prepare to become contributing lifelong learners in our local and global community.

Nebo will host a school wide field day on Friday, May 10th (weather day May 13th). Parents are welcome to join us for the event. Please remember that all visitors to campus will need to check-in and get a visitors sticker. Activities will start at 8:30. Visitors will be allowed to park in the teacher lot in front of the gym and the grassy area on the school side of the fence. A ramp will be set up for access (like it was at Fall Festival). We are very excited to spend the day together as a school community.
