### AdvancED (Formally known as SACS)

AdvancED will visit the PCSD October 7-10 to review the school districts' accreditation. Accreditation is a voluntary method of quality assurance designed to distinguish schools adhering to a set of educational standards. To retain accreditation, a district must meet AdvancED Standards, demonstrate high levels of student performance, and provide evidence of stakeholder satisfaction with the operation of the district. While here, AdvancED will visit 15 of our 33 schools. Nebo will be one of the schools to receive a guest. An AdvancED team member will spend the morning of 10/9 visiting our school. We are honored to have this opportunity to represent the PCSD.
