

# PAULDING COUNTY SCHOOL DISTRICT FY2022 BUDGET OVERVIEW

## Engage. Inspire. Prepare.

PCSD's Strategic Plan provides a framework and sets the tone for creating a dynamic culture, where students are engaged, inspired and prepared for their future. Student success for ALL starts with a passion for effective stewardship of taxpayer dollars. The budget is the catalyst for creating safe schools and engaging environments, where students can thrive.

**INTEGRITY.** Results of the most recent financial audit were outstanding, and the District received Georgia Department of Audits and Accounts' *Excellence in Financial Reporting Award*.

**STEWARDSHIP.** PCSD recently received a 4-Star *Financial Efficiency Rating*, which measures a district's per-pupil spending in relation to the academic achievements of its students. Only 12 of 180 districts or 7% scored better than PCSD (FY19).

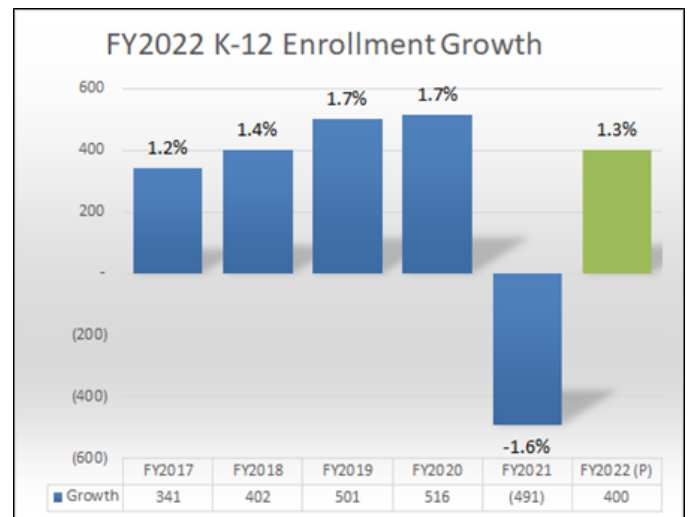

Every year the Paulding County School District (PCSD) develops and adopts a budget for the next fiscal year. This report is designed to inform parents, students, staff and stakeholders about the key metrics involved in developing our budget and highlights for the upcoming year.

## FY2022 Budget Highlights

**Enrollment Growth and Virtual Instruction.** PCSD is projected to educate 30,135 students in FY2022 (school year 2021-2022), an increase of 400 students or 1.3%.

For the 10 years ending FY2020, the district had an annual growth rate of 0.7%. In the prior decade, FY2010-FY2020, enrollment increased 1,910 or 6.7%. A result of the COVID-19 pandemic, FY2021 enrollment declined -491 or -1.6% to 29,735. However, growth is expected to resume as the pandemic comes to an end.

The district anticipates educating approximately 7.5% or 2,259 students virtually. Approximately 92.5% or 27,876 are expected to attend face-to-face instruction.

**Low Wealth.** Despite favorable employment, income and free-and-reduced lunch statistics, PCSD is considered low wealth due to a limited commercial and industrial tax base and the large number of school-aged children per household. Below are rankings against the 35 large districts in Georgia (school districts over 10,000). Rankings against all 180 school districts in Georgia are in parentheses.

## General Fund Revenue Highlights: Equalization Grant and Austerity Reductions

The General Fund accounts for approximately 82% of all District spending and is the main operating fund for the school district. Projected revenues for FY2022 total \$310.6 million, an increase of \$15.7 million or 5.3%.

As a low wealth school district, the product of a limited commercial / industrial tax base and more students per household than statewide averages, PCSD will receive \$31.2 million of Equalization Grant funding in FY2022 (the fourth highest recipient in the State).

Funding under the state Quality Basic Education (QBE) formula will be increased by 0.6% or \$0.9 million. Local taxes are projected to increase \$13.3 million, with an improving tax digest and a millage rate of 18.750 (2021 rate).

## General Fund Expenditure Highlights: Learning Loss and Virtual Instruction

As the District copes with the operational and financial ramifications of the COVID-19 pandemic, instruction will continue to be our primary focus in FY2022, especially as it relates to learning loss and virtual instruction. PCSD typically allocates more of its resources to instruction than statewide averages, while central office type expenditures are half the size of the average district.

Projected expenditures for FY2022 total \$310.2 million, an increase of \$22.1 million or 7.7%.

88% of the budget is spent on salaries and benefits. The remaining 12% of the General Fund budget covers all other operating expenditures, including critical areas such as technology and textbooks.

Compensation will also be addressed as the FY2022 budget includes a 2% across-the-board pay raise, in addition to a fully funded experience step for qualifying employees.

Technology continues to be a major investment, as almost 3% or \$8.2 million of the FY2022 budget will be spent in this area.
