

GAfutures

Explore. Plan. Succeed.

Paulding County School District students continue to utilize GAfutures (was GACollege411) to:

- Request an Official Transcript to be sent to a Georgia College, University, or Technical College
- Review My GAfutures HOPE GPA
- Utilize the Site for State Aid Applications, HOPE and Zell Miller Scholarship Information, HOPE and Zell Miller Grants, and State Loans
- Review information about Financial Aid Basics, FAFSA (Free Application for Federal Student Aid), Federal Student Loans, Federal Student Grants and Scholarship Search
- Process Dual Enrollment Move On When Ready Applications
- Review College Information at Postsecondary Schools that includes a College Decision Guide, State of Georgia Colleges, National College Search, Applications and Transcripts, GATRACS (Georgia Transfer Articulation Cooperative Services) and Path2 College 529 Plan
- Send College Applications to Postsecondary Schools in Georgia
- Utilize Financial Literacy Tools

Accounts for students who have not used their GACollege411 account in two years or more and/or did not have a working email connected to his/her account (current and former students) did not have accounts that migrated to GAfutures.

Important: Former graduates should Create an Account to request a transcript, look up their My GAfutures HOPE GPA, etc.

Important: Current students who do not have an account that is working, need to Create an Account.
