

Digital Learning Days Parent Information

RED LEVEL 1

OVERVIEW

For pre-planned professional learning days or short-term emergency school closures, instruction will continue as *asynchronous* DLD: Red Level 1. Students will have the opportunity to continue their learning online from home through Canvas. Teachers will be available for virtual "office hours" through Canvas if students or parents have questions on the material or need assistance with digital learning.

At times, teachers may be scheduled into full-day professional development meetings and unavailable for office hours. In that case, staff will provide parents and students with a point of contact for immediate support and respond to emails or Canvas messages within 24-hours.
