Poole Families and Community Members:

Welcome to the Trailblazer family! My name is Kristi Davis and I am honored and thrilled to be the new principal of Poole Elementary! This is my eighteenth year as an educator, all of which have been in the Paulding County School District. For the past six years, I have been in school leadership as both an assistant principal and an Evaluation and Assessment Coordinator. As a mom of two school aged children, I understand the importance of working together to provide students with the best educational experience possible. My goal is to provide leadership and opportunities that **Engage** students, **Inspire** minds, and **Prepare** leaders.

It is truly a privilege to be able to work with such a dedicated, committed staff and supportive community to make this year the best ever! I look forward to meeting new families, seeing familiar faces, and celebrating successes in the 20-21 school year. Please know that my door is always open, so don't hesitate to stop in or call with questions, concerns, or suggestions.

Sincerely,

Kristi Davis
