

Poole Elementary School Home of the Trailblazers

Kelly Davis, Principal

Jacquelyn Allen, Assistant Principal

Wendy Howd, EAC

Poole Families:

We are almost ready to welcome back our Trailblazers for the 2023-2024 school year and I am thrilled to extend a warm and heartfelt welcome to each one of you! I am honored and privileged to serve as the principal at Poole Elementary, where our school is not just a building; it is a community of scholars, parents, and educators working together to create an environment that fosters growth and knowledge.

To start our year, I wanted to reach out and share open house information and to also introduce myself to our new families. This is my 19th year as an educator, all of which have been in the Paulding County School District. I am thrilled to start my second year at Poole and am confident when I say, Poole is an amazing place to be!

My husband and I live in Dallas, along with our daughter, who is a rising 7th grader. As your principal, I would like for you to know that our team is committed to providing an enriching and inclusive educational experience for all students. Our amazing teachers and support staff work together to create a safe and nurturing environment, where every child can thrive academically, socially, and emotionally. I am confident that with your support, every child will be on a path towards success. I welcome your input as we collaborate to ensure a positive learning experience for our Poole Trailblazers. I am looking forward to an amazing year!

Respectfully,

Kelly Davis
