Poole Families:

We are almost ready to welcome back our Trailblazers for the 2022-2023 school year! I wanted to reach out to share open house information and to also introduce myself. I am Kelly Davis, your new principal at Poole Elementary. This is my 18th year as an educator, all of which have been in the Paulding County School District. Most recently, I have served as the assistant principal at Dallas Elementary.

My husband and I live in Dallas, along with our daughter who will start middle school this year. As your new principal, my goal is to provide leadership, support, and opportunities which empower students to reach their highest potential, while preparing them for a successful future. I am excited for the opportunity to connect with students, parents, and the community to create a sense of belonging within our school family.

The staff at Poole welcomes you to the 2022-2023 school year and we promise to set high expectations, while fostering a safe and engaging learning environment for all students. I am confident that with your support, every child will be on a path towards success. I welcome your input as we collaborate to ensure a positive learning experience for our Poole Trailblazers.

We look forward to welcoming all our students to Open House this Thursday, July 28th, from 2:00-6:00 PM. Student last names beginning with the letters A-K are encouraged to attend from 2:00-4:00 PM. Student last names beginning with letters L-Z are encouraged to attend from 4:00-6:00 PM.

Please review the links below to save yourself time at Open House. Please do not hesitate to reach out with questions, concerns, or suggestions. I am looking forward to an amazing year!

Respectfully,

Kelly Davis
