## What's Going on in Kindergarten!

Parents, please read with your child each night and begin helping them to sound out consonant vowel consonant words. For example...mat, hat, hot, not, can, man...etc... Thanks for all you do at home to support your child's education.

Please make sure you label jackets and coats with your child's name. **Please begin working on sight words with your student. They are stapled to the back left of the folder. If your child does not have one it will be coming soon. I will assess each Friday.**

**We still need a few more to join PTA. The cost is only \$6.00 and a couple of coupons are included. It's a great deal and your child's class will win a party for 100% participation.**
