

First Grade News

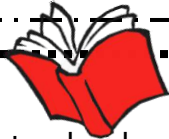

August 17, 2020

Important News

This week we will continue with the same daily schedule we used last week. If any changes need to be made, I will notify you by e-mail. Make sure to have your child signed in on Canvas and ready to begin each lesson on time. I will be conducting several one on one assessments this week and next. Please be on the look out for an e-mail from me with an assigned day and time for your child to work with me. Thank you!

Library Books

Our virtual students will be able to check out books from the school media center. Mrs. Humphries will place your book in a Ziploc baggie and place the baggie in a bin at the front of the school for pick up on **Thursdays**. I sent out a step by step guide from Mrs. Humphries on how to choose a book last week.

Important Dates

Sept. 7th: Labor Day - No School

School Meals

Parents will be able to pre-order meals in advance for pick up at Russom on Thursdays at 9:00-10:00. Please see the attached Meal Service Plan in my e-mail for more information.
