## Important News

Please review our meeting rules I have attached to this e-mail. It is very important students remember to stay muted when we are in the middle of a lesson. The background noise and constant interruptions are a distraction to everyone's learning. Also, it is crucial students are following my directions. Today we had many students marking all over the screen while we were trying to complete a new activity which was causing other students to become frustrated when they could not see the screen properly. Please remind your child of the importance of following these online learning expectations. Thank you!

## Progress Report Grades

If you would like to view your child's progress report grades you will need go to the Parent Portal website. If you need to create an account, you will go to the Paulding County School District website and click on the Parent Dashboard. At the top of the screen there is a link for directions to create your account. This will be how you view your child's grades throughout the school year. Please let me know if you have any questions.
