## Dear Parents and Guardians,

We are excited to announce that the Paulding County School District App is now available for download from both the iTunes and Google Play stores. The App is a free download and easily found by using the search term "Paulding Schools" from your devices' app store. The app allows you to easily navigate to the information that is relevant to your family and select only your child's school to make sure you get the announcements you need.

In addition, the App provides quick access to many of our most visited sites including, Parent Portal, Bus Stop and School Locator, school and staff directories, the Athletic Adventures newsletter, My Lunch Money, as well as, links to the District's Facebook and Twitter pages.

The Paulding County School District App will also allow you to receive push notifications from the District concerning important announcements such as school delays or closings.

To receive notifications simply download the app from your app store and open the app. When you open the app for the first time you will be asked to log in. If you have not already signed up for an account on the school district website, you can register then. If you already have an account you will be asked to log in. After logging in you can choose the schools to which you wish to receive notifications.

Please take a moment to visit either the iTunes or Google Play stores
and download the Paulding County School District App!
