

# MEET THE TEACHER!

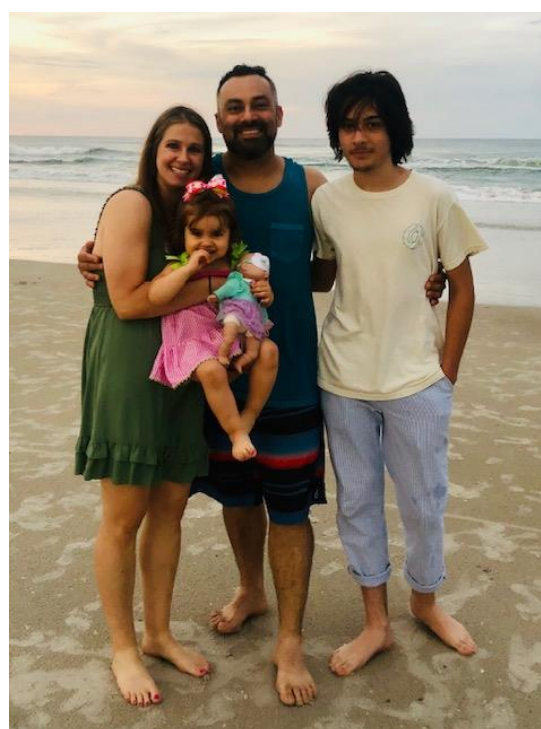

## The Basics!

Hello all! My name is Angela Alfaro. I have been a teacher for 15 years. I taught 1<sup>st</sup> grade for 3 years, 4<sup>th</sup> grade for 6 years, 5<sup>th</sup> grade for 3 years, and 3<sup>rd</sup> grade for 1 year. I am excited to teach kindergarten for my third year! I know we are going to have a fantastic year!

## My Family!

My husband and I have been married about five years and live in Dallas. My step-son, Lynden, is 15 years old and will be in the tenth grade this year. We have a 2-year-old little girl named Violet who has captured our hearts. We also have a dog named Marty. I love my family and could not be happier.

So often you find that the students you're trying to **INSPIRE** are the ones that end up inspiring you.
