

All About Me

My name is Cheryl Kraemer. This is my 12th year here at Ragsdale Elementary School. I am married to my best friend and will have been for 34 years on August 29th. We have two amazing daughters, two sons in law, and three AMAZING grandchildren and another on the way. I am an animal lover and so is my husband, Tracy. We have 3 dogs and a turtle. There is never a dull moment at our house.

I love to spend time with my family. They mean the world to me. We are with them every chance we get. This summer we spent 3 weeks on the west coast while our son in law was in professional umpire training out there. I was glad to get back to Georgia!!!

My husband and I moved to Cedartown 2 years ago and absolutely love it. We love the feeling of being in the country - not that Dallas is a big city - but it is growing! We see deer, rabbits, squirrels, and snakes all the time.

I graduated from Kennesaw State University in December 2005 and was hired BEFORE graduation at Allgood Elementary after completing my student teaching. I was one of the original teachers to open Ragsdale and I love this school and the students along with the parents.

I look forward to working with my students and parents to encourage you and help you any way I can. Once your student is in my class, they will always be mine. I cannot wait to help your child reach their fullest academic potential while absolutely having fun.
