## YEARBOOK TRIBUTE

### 8th Grade Ads Are On Sale Until December 31, 2017

It's amazing how quickly time passes. Wasn't it just yesterday that you were sitting in the audience watching the first holiday pageant? How can those tiny little pilgrims be this old already? Where did the years go?

Mark their milestones with an ad in the school's only permanent record of the year. Let your student know how proud you are of all that they have accomplished in school and in life. Make their yearbook even more special by creating a personal message with words and photos.

It's easy to create your ad, simply log on to our secure website and select Buy A Yearbook Ad. Ads may only be purchased online and are only for sale until December 31, 2017. Don't forget to order the yearbook!
