TRANSPORTATION

- The way that your child goes home is of utmost importance. We are unable to take a student's word for a transportation change.
- If you must change your child's transportation during the day, please contact the front office.
- Communicate in a written note if your child will go home differently than what they normally do. Please sign and date the note so that we know you sent it. We can NOT accept transportation changes via email, Remind or Talking Points.

Weekly Newsletter

- We send a weekly newsletter on Monday.
- Be sure to review the newsletter and look for valuable information.

BIRTHDAYS AND CELEBRATIONS

- We love for your child to feel important on their special day. We also love for your child to be able to share a treat with their class. However, there can not be any type of party.
- If you choose to invite the class to an outside party, you must either invite the whole class or invite all of the boys or vice versa. This is a school policy because we cannot let feelings of little ones get hurt.
- Please send in enough treats for all students. All treats must be store bought and sealed. The treat may be sent in with your student or dropped off in the front office.

ABSENCES/TARDIES

- Please send in either a parent note or doctor's note to excuse their absence on the day that they return to school.
- After 8:00, please walk your student into the front office.
- We love your child to be here and on time everyday! If your student is planning to eat breakfast at school, please try to arrive by 7:45.

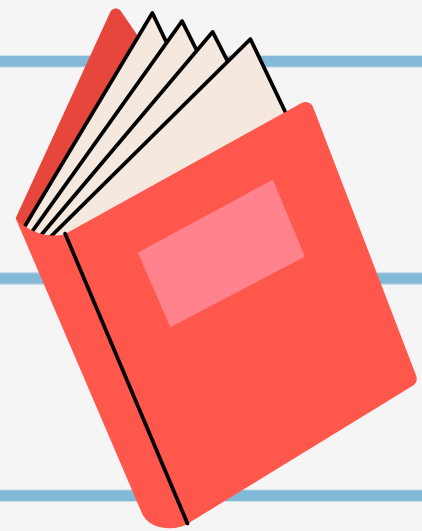

What is UFLI?

- A foundational program to build skills in reading and spelling words.
- Please be on the lookout for UFLI Foundations Home Practice sheets. These are sent home periodically to reinforce skills.
