### SPOTLIGHT!

Kyle Bird – Math Star Student

Kyle is the ultimate picture of a scholar athlete. He works hard on the field and in the classroom. He can often be found keeping his "football buddies" in line and making sure they have caught up when absent, thus proving himself to be a student leader as well. No matter who Kyle is paired up with in Honors Algebra 2, he works well with them. When concepts get more difficult, he digs even deeper. Kyle recently competed in the community Savage Race where he was on Team-Danny. Danny is a student here at North with Down Syndrome. Kyle has known Danny for many years and is very supportive of him. He has his back at school and doles out the high fives daily.

## This and That

The North Paulding Wolfpack Pride competed this past Saturday at the Valhalla Classic at Northgate High School in Newnan, GA, where they received all superior ratings for band, percussion, and guard. ### Accreditation Update

AdvancedED is the new school accrediting agency in Georgia, and its members visited schools in Paulding County on October 9 to observe and evaluate our system. Although the official report may take some time, our evaluator had many positive things to say about NPHS in her exit interview. Most importantly, she said students had great things to say about our school when they were interviewed. Students gave thoughtful answers indicating that teachers are always willing to help before school, after school, and on their teacher websites. Students are happy and supportive in a good environment.
