

Battling Base Ten Blocks

Contents: Base Ten Blocks, Digit Cards (4 sets of 1-9)

Players: 2 or more

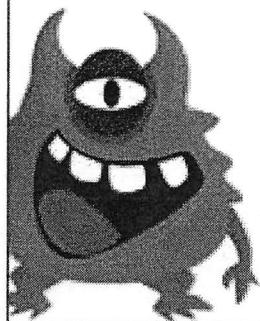

Directions: Set out sets of digit cards face down in a pile (1-9) to create a place values.

Kindergarten and First grade use two sets (Tens and Ones)

Second grade use three sets (Hundreds, Tens, and Ones)

Third - Fifth grade use four sets (Thousands, Hundreds, Tens, and Ones)

Put all the base ten blocks in the center of the table. One person turns over a digit card from each set (place value) to create a number. Players then race to see who can build the number created by the digit cards using the base ten blocks the fastest.

0	1	2	3	4	0	1	2	3	4
5	6	7	8	9	5	6	7	8	9
0	1	2	3	4	0	1	2	3	4
5	6	7	8	9	5	6	7	8	9
