

LET'S TALK ABOUT:

# RESPONSIBILITY

**Dad:** What are some of your responsibilities at school and at home?

**Child:** When have you taken responsibility for a mistake you've made?

**For both:** How does it help others when you are responsible?

HUDDLE UP:

Gather with your family and encourage everyone to think of 2 things they were responsible for today. Talk about what those responsibilities are and how often they occur. What daily responsibilities do you normally have versus weekly responsibilities?

PRO TIP:

Think about the responsibilities of everyone in the family and see if there are ways to share certain ones with each other. How can you encourage your family to have a greater appreciation for all the things each member of the family is thinking for?
