

Kindergarten Tasks (continued)

4) Count how many kinds of candy start with the letter "s".

How many start with the first letter of your name?

5) What kind of candy rhymes with kicks?

What kind of candy rhymes with first?

Hutchens Elementary School
586 Clonts Road, Douglasville, GA 30134
Principal: Stefanie Bowen
All families of Hutchens Elementary students have been invited to attend!

Welcome to Our Title I Family Night!

MATH AND READING NIGHT AT INGLES

Ingles - 1817 Dallas Nebo Rd, Douglasville, GA 30134

HERE'S HOW IT WORKS:

- 1) Sign in at the Café Title I Table for your grade level to receive your task packet.
- 2) Students and their family members walk to the aisle that pertains to the word problem they are completing (an adult must accompany the child at all times).
- 3) Use the information in the problem to find products and prices (if necessary), then solve the problem using math strategies the students are learning at school.
If help is needed for problem-solving, please ask a nearby teacher! We are excited to assist!
- 4) Complete the problems for your grade level and bring the answer sheet back to the Café table to be reviewed.

Kindergarten Tasks

- 1) Go on a shape hunt! Look around Ingles for these shapes and write the name of the item you find.

2D Shapes	
Square	
Circle	
Rectangle	
Triangle	
Hexagon (challenge!)	
3D Shapes	
Sphere	
Cylinder	
Cube	
Cone	

Kindergarten Tasks (continued)

- 2) Find two of your favorite items. Explain which costs more and which costs less.

- 3) If you buy 3 cans of Spaghetti O's and 5 cans of noodle soup, how many cans will you have altogether?
