

New Student Resource - Education Galaxy

Hello Parents,

We are very excited to introduce Education Galaxy to you. Education Galaxy is an online program that students can use at home and at school to practice important standards and concepts. Students can work self-paced on Education Galaxy and can monitor their own progress. We encourage you to log in with your child and review their performance. You will be able to see exactly where your child is performing well and where your child may need extra help.

To access Education Galaxy, go to www.educationgalaxy.com and click on the login button at the top right.

Your child's login information is below:

Username:

Password:

From time to time, students may receive assignments in Education Galaxy so we encourage you to login with your child often to stay up to date.

Wishing you the very best,

Jeremy Verret

CEO, Education Galaxy

Compass Learning Odyssey

Great resource for more **guided practice and understanding** on each topic.
Reading and Math Resource

website: <https://www.thelearningodyssey.com/>

user name: FirstName (space) LastName

Password: lunch#

How to check your student's progress on Compass

1. **Log in as your student** (see above on how to log in)
2. **Click on Portfolio on the left side of the screen**
([briefcase](#) in the brownish red circle)

3. You have three options:

Recent work- This shows you all the activities the students have been working on or completed and the scores if applicable.

Assignments- This shows you assignments that have been assigned to them by a teacher and their scores.

Reports - This is where you can run a report on any subject you would like to see and the work that was completed in it. The report shows you the date and time the activity or assignment was completed, the score, whether they passed or failed, and how long they spent on the assignment or activity.
