COMMON RESPONSES

Start school year later

Eliminate fall and/or winter break

Align breaks with other school districts, esp. Cobb

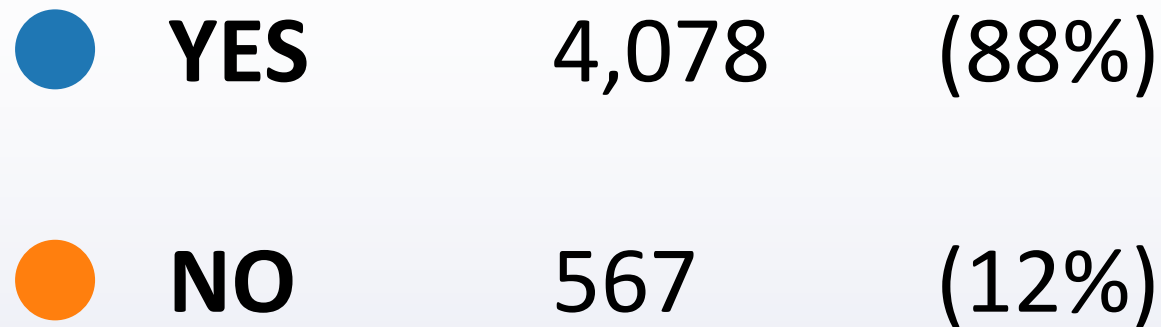

Shorten/Reduce Conference Weeks

Shorten Thanksgiving break

Eliminate Digital Learning Days

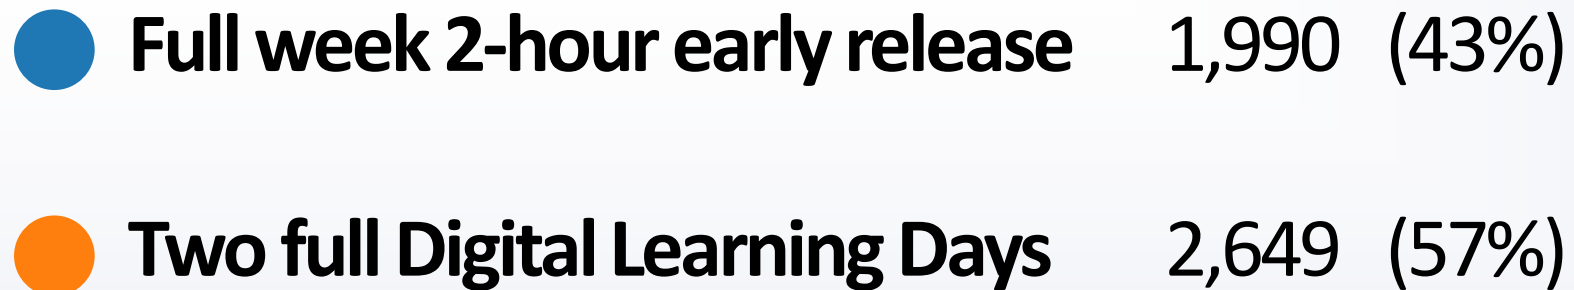

Digital Learning on Election Days?

4. The Paulding County Elections Board utilizes some schools in our district as polling locations. As we continue to focus on student safety, would you support a student Digital Learning Day for all PCSD students for remote learning when the election day is a highly attended event, such as general elections, presidential preferences, or primary elections?

Digital Learning for Conference Week?

5. Please indicate if you would support the use of Digital Learning Days to replace daily two-hour early release times for students during our October and March conferencing weeks. Which of the following do you prefer?

Professional Learning Days?

6. Would you support adding additional Digital Learning Days for teacher professional learning throughout the year in order to reduce the amount of time students are served by substitutes when professional learning occurs during the school day and the number of Early Release days throughout the year?

● YES	3,216	(69%)
● NO	1,428	(31%)
