

COVID UPDATE

October 21, 2020

Dear Herschel Jones Middle School Parents/Guardians of In-Person Instruction Students:

We appreciate you adjusting your schedules to accommodate the temporary shift of in-person instruction to online digital instruction this week. This is a follow-up communication to let you know that **HJMS will continue to be closed for in-person instruction at least through the rest of this week.**

Herschel Jones Middle School	
WHAT?	HJMS will remain closed for in-person instruction.
HOW LONG?	Until further notice. Parents will be contacted Friday, Oct. 23 rd with an update.
SCHOOLWORK:	Students should check Canvas each day for class assignments. Teachers will provide students further direction on assignments.

We apologize for any inconvenience this schedule change may cause, but hopefully we all can agree that the health and safety of our students and staff takes precedence over any other considerations at this time. Please know that the entire school building has been thoroughly cleaned and disinfected as we continue to monitor the number of COVID-19 cases among students and staff and identify close contacts.

Thank you for continuing to be flexible as we adapt our plans to ensure the safest and healthiest possible learning environment. Should you have any questions or concerns regarding this temporary schedule, please reach out to Herschel Jones Middle School at 770-443-8024.

Sincerely,

Dr. Brian Otott
