

# Back-to-School STEM Challenge

You're invited!

**Thursday, August 19<sup>th</sup> at 6:30 p.m.**

Join us for a Virtual Back-to-School STEM event. You do not want to miss this STEM learning opportunity. This event is **FREE** and **FUN** for all age groups. Together, we will discuss the importance of STEM, both in the classroom and beyond, and hear directions and strategies for completing the STEM Challenge with your family at home. **Prizes** will be awarded to the STEM Challenge winners.

You will receive a ZOOM link from your child's teacher to participate in this activity provided by Paulding County School District Title I and STEM departments. We hope to see you and your family on August 19<sup>th</sup> at 6:30 p.m.

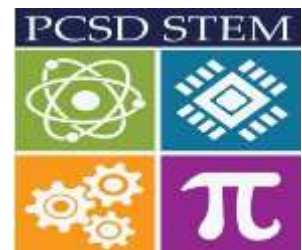

Please reserve your spot before August 17<sup>th</sup> by completing the RSVP by clicking the following link: <https://forms.gle/FV2y8mHk5rUU9qgM7>.

If you have any questions about this Back-to-School event, please contact Kim Williams, Parent Involvement Specialist, at 770-443-8000 or [kwilliams@paulding.k12.ga.us](mailto:kwilliams@paulding.k12.ga.us).
