**Dear ESOL and EL Families,**

Please join us for a **FREE** ESOL and English Language Learners Community Fair. Your family will receive valuable resources and services provided by Paulding County School District and Community Partners. These free resources will support **summer learning** for students, explore ways to get **fully involved** in the education of your children, access to **adult education** services if needed, receive available **health resources**, and enter your child into a **drawing to receive a free laptop**. Our goal is to continue to build a deeper partnership between your home, the school district, and our community. This will also be a great opportunity to connect with other parents and families in our community. **All families of ESOL and EL students in elementary, middle, and high schools in Paulding County School District are invited to attend.** We hope to see you there!

If you have any questions, please contact Kimberly Williams, Parent Involvement Specialist at 770-443-8000 or [kcwilliams@paulding.k12.ga.us](mailto:kcwilliams@paulding.k12.ga.us).
